254. Which is the largest bay in the world by geographic surface area?

Answer: Bay of Bengal

Explanation: Occupies an area of 2.17 million sq km in the northeastern Indian Ocean.

255. Which is the largest marginal sea in the world?

Answer: Philippine Sea / South China Sea

Explanation: The Philippine Sea covers roughly 5.69 million sq km in the western North Pacific.

256. Which natural mountain range forms the border between Spain and France?

Answer: Pyrenees Mountains

Explanation: Spans 430 km from the Bay of Biscay to the Mediterranean Sea.

257. Where does the Himalayan mountain system geographically originate?

Answer: Nanga Parbat, Pakistan

Explanation: Stretches from Nanga Parbat in the west to Namcha Barwa in Tibet in the east.

258. Legendary heavy-weight boxing champion Muhammad Ali belonged to which country?

Answer: United States of America

Explanation: Born Cassius Clay in Louisville, Kentucky; three-time world heavyweight champion.

259. Which city hosted the 2016 Summer Olympic Games?

Answer: Rio de Janeiro, Brazil

Explanation: The first Olympic Games held in the South American continent.

260. Who is the Chief Minister of Sindh province?

Answer: Syed Murad Ali Shah

Explanation: Belongs to the Pakistan Peoples Party (PPP).

261. In which Hijri year was Ghazwa-e-Khandaq (Battle of the Trench) fought?

Answer: 5 Hijri (627 AD)

Explanation: Also known as Ghazwa-e-Ahzab; Muslims dug a trench around Madinah on Salman Farsi's advice.

262. Who assumed power in Pakistan after General Yahya Khan resigned in 1971?

Answer: Zulfikar Ali Bhutto

Explanation: Took over as President and first civilian Chief Martial Law Administrator on 20 Dec 1971.

263. What is the total coastline length of Pakistan along the Arabian Sea?

Answer: 1,046 to 1,058 km

Explanation: Stretches across Sindh (330 km) and Balochistan/Makran coast (770 km).

264. What is the official currency of Turkey?

Answer: Turkish Lira (TRY)

Explanation: Subdivided into 100 kurus.

265. What is the federal capital city of Australia?

Answer: Canberra

Explanation: Planned capital city established in the Australian Capital Territory in 1913.

266. Which country is the largest coffee producer and exporter in the world?

Answer: Brazil

Explanation: Brazil has dominated international coffee cultivation for over 150 years.

267. Which Nordic European nation is titled the 'Land of a Thousand Lakes'?

Answer: Finland

Explanation: Finland contains over 187,000 lakes within its borders.

268. In which year and city was SAARC established?

Answer: 1985 in Dhaka, Bangladesh

Explanation: Founded on 8 December 1985 to promote regional socio-economic cooperation.

269. What constitutes the primary source of electricity generation in Pakistan?

Answer: Thermal Energy (Fossil Fuels / Gas)

Explanation: Followed by hydel, nuclear, and renewable energy.

270. Where is Mount Jabal-e-Rehmat (Mount of Mercy) located?

Answer: Plain of Arafat, Makkah

Explanation: Where Prophet Muhammad (PBUH) delivered the Farewell Sermon during Hajj.

271. What is the official currency of Japan?

Answer: Japanese Yen (JPY)

Explanation: One of the most heavily traded reserve currencies in the world.

272. Who was appointed as the first Foreign Minister of Pakistan?

Answer: Sir Muhammad Zafarullah Khan

Explanation: Appointed by Quaid-e-Azam, later served as President of the UNGA and President of the ICJ.

273. In which city of Punjab is the historic Nishtar Hospital located?

Answer: Multan

Explanation: Established in 1951, it is one of the premier tertiary medical teaching hospitals.

274. What is the official currency of Poland?

Answer: Polish Zloty (PLN)

Explanation: Zloty means 'golden' in Polish.

275. Who authored the canonical Hadith compendium 'Sahih al-Bukhari'?

Answer: Imam Muhammad al-Bukhari

Explanation: Born in Bukhara (present-day Uzbekistan) in 194 AH (810 AD).

276. Under whose governmental regime was Mangla Dam commissioned?

Answer: Field Marshal Ayub Khan

Explanation: Completed in 1967 across the Jhelum River in Mirpur, AJK.

277. What is the full expansion of the acronym OPEC?

Answer: Organization of the Petroleum Exporting Countries

Explanation: Intergovernmental cartel of oil-exporting developing nations founded in Baghdad in 1960.

278. Approximately what percentage of Pakistan's population is Muslim?

Answer: 95% to 98% (approx 96.5%)

Explanation: According to national census records, Muslims form the overwhelming majority.

279. Which is the longest river in the European continent?

Answer: Volga River

Explanation: Meanders 3,530 km through Russia into the landlocked Caspian Sea.

280. What is the official currency of Kuwait?

Answer: Kuwaiti Dinar (KWD)

Explanation: Consistently ranked as the highest-valued currency unit in the world.

281. Who was the second Governor-General of Pakistan?

Answer: Khawaja Nazimuddin

Explanation: Took office on 14 September 1948 following the demise of Quaid-e-Azam.

282. How many Muslim soldiers were martyred in Ghazwa-e-Khandaq?

Answer: Six (6) to Eight (8) Martyrs

Explanation: The defensive trench prevented heavy face-to-face combat casualties.

283. How many Muslim soldiers were martyred in the Battle of Uhud?

Answer: 70 Companions (R.A)

Explanation: Including the Prophet's uncle Hazrat Hamza ibn Abdul Muttalib (Sayyid-ush-Shuhada).

Answer: 16 December 1971

Explanation: Marked the conclusion of the 1971 Indo-Pak War and the Dhaka instrument of surrender.

297. In which year did the ICC Champions Trophy tournament inaugurate?

Answer: 1998

Explanation: Inaugurated as the ICC KnockOut Tournament in Dhaka, Bangladesh.

298. Who served as the President of Iran from 2021 until his tragic death in 2024?

Answer: Ebrahim Raisi

Explanation: Died in a helicopter crash in Varzaqan, East Azerbaijan in May 2024.

299. What is the capital city of Japan?

Answer: Tokyo

Explanation: Tokyo is the world's most populous metropolitan area, home to over 37 million people.

300. Which is the largest enclosed body of water on Earth?

Answer: Caspian Sea

Explanation: Classified as both the largest lake and a full inland sea due to its vast area (371,000 sq km).

301. How many general seats are there in the National Assembly of Pakistan?

Answer: 336 Seats (formerly 342 before FATA merger)

Explanation: Comprises 266 general seats, 60 reserved for women, and 10 for religious minorities.

302. Which is the opening Surah of the Holy Quran?

Answer: Surah Al-Fatihah

Explanation: Consisting of seven verses, recited in every unit (Rakat) of Muslim prayer.

303. What is the Nisab and prescribed rate of Zakat on gold?

Answer: 2.5% on 7.5 Tolas (87.48 grams) of gold

Explanation: Zakat becomes obligatory on savings held continuously for one full lunar year.

304. What is the Nisab and prescribed rate of Zakat on silver?

Answer: 2.5% on 52.5 Tolas (612.36 grams) of silver

Explanation: Calculated at 1/40th (2.5%) of the total accumulated market value.

305. Where is the Simly Dam reservoir located?

Answer: Near Islamabad

Explanation: Built on the Soan River, Simly Dam is the major drinking water supplier for Islamabad.

306. In which presidential election did Mohtarma Fatima Jinnah contest against Ayub Khan?

Answer: 1965 Presidential Election

Explanation: Contested as the joint candidate of the Combined Opposition Parties (COP).

307. What was the age of Prophet Muhammad (PBUH) at the time of his demise?

Answer: 63 Solar / Lunar Years (62-63 years)

Explanation: Passed away on 12 Rabi-ul-Awwal 11 AH (June 632 AD) in Madinah.

308. Which is the fifth month of the Islamic Hijri calendar?

Answer: Jamadi-ul-Awwal (Jumada al-Ula)

Explanation: Preceded by Rabi-ul-Thani and followed by Jamadi-ul-Thani.

309. What is the official currency of the Russian Federation?

Answer: Russian Ruble (RUB)

Explanation: Subdivided into 100 kopecks.

310. What is the capital city of Turkey?

Answer: Ankara

Explanation: Ankara became the capital of the Republic of Turkey in 1923, replacing Istanbul.

311. Where is Kareem Block market located?

Answer: Allama Iqbal Town, Lahore

Explanation: A bustling commercial and shopping district in southwestern Lahore.

312. How many days did the 1965 Indo-Pak War last?

Answer: 17 Days

Explanation: Started on 6 September and ceased on 23 September 1965 following UN ceasefire.

313. What is the synonym of the word 'Diversity'?

Answer: Variety / Dissimilarity / Multiplicity

Explanation: Diversity indicates variety, heterogeneity, or difference among elements.

314. When was the Pakistan Military Academy (PMA) established at Kakul?

Answer: October 1947

Explanation: Established at Kakul, Abbottabad; Brigadier Francis Ingall was its first commandant.

315. Which entities hold Permanent Observer Non-Member status at the United Nations?

Answer: State of Palestine and Holy See (Vatican City)

Explanation: They participate in UN proceedings without the right to vote on resolutions.

316. What is the total length of the border between Pakistan and India?

Answer: 3,323 km (including Line of Control)

Explanation: Border runs across Punjab, Rajasthan, Gujarat, and Kashmir.

Answer: 8th Hijri (629 AD, before Conquest of Makkah)

Explanation: Accepted Islam alongside Amr ibn al-Aas and Uthman ibn Talha in Madinah.

476. In which year were the Morley-Minto Reforms enacted?

Answer: 1909

Explanation: Introduced separate electorates for Muslims in the Imperial and Provincial councils.

477. Who introduced the Basic Democracies system in Pakistan?

Answer: Field Marshal Ayub Khan

Explanation: Promulgated under the Basic Democracies Order in October 1959.

478. On the bank of which river is the ancient archaeological site of Harappa located?

Answer: Ravi River

Explanation: Located in Sahiwal district, Punjab; excavated by Daya Ram Sahni in 1921.

479. Which nation is universally credited with inventing the modern rules of association football?

Answer: England

Explanation: Modern rules codified in 1863 with the founding of The Football Association in London.

480. Which nation is credited with creating the game of cricket?

Answer: England

Explanation: Originated in south-east England during the medieval period.

481. Which team holds the record for winning the Men's FIH Hockey World Cup the most times?

Answer: Pakistan (4 Titles)

Explanation: Won the inaugural 1971 tournament and repeated in 1978, 1982, and 1994.

482. Who served as Chief Minister of Balochistan during 2021-2023?

Answer: Mir Abdul Quddus Bizenjo

Explanation: Served as CM of Balochistan representing the Balochistan Awami Party (BAP).

483. When and against whom did Sachin Tendulkar score his first ODI century?

Answer: 9 September 1994 vs Australia (Colombo)

Explanation: Scored 110 runs in his 79th ODI match during the Singer World Series.

484. Which country has consistently possessed the most powerful military force in the world?

Answer: United States of America

Explanation: Maintains top global military expenditure, advanced technology, and worldwide bases.

485. Who was the first Commander-in-Chief of the Pakistan Army in 1947?

Answer: General Sir Frank Messervy

Explanation: Handed over command in 1948 to General Sir Douglas Gracey.

486. Who served as the Chief of Army Staff (COAS) of Pakistan from 2016 to 2022?

Answer: General Qamar Javed Bajwa

Explanation: Appointed COAS in November 2016; retired in November 2022.

487. From which PMA Long Course did General Qamar Javed Bajwa graduate?

Answer: 62nd PMA Long Course

Explanation: Commissioned in the 16th Battalion of the Baloch Regiment in October 1980.

488. When was Operation Rah-e-Haq initiated in the Swat Valley?

Answer: November / December 2007

Explanation: First phase launched by Pakistan Army to quell militants led by Mullah Fazlullah in Swat.

489. What was the date of birth of nuclear scientist Dr. Abdul Qadeer Khan?

Answer: 1 April 1936

Explanation: Born in Bhopal, British India; father of Pakistan's uranium enrichment program.

490. In which administrative territory of Pakistan is the scenic Hunza Valley located?

Answer: Gilgit-Baltistan

Explanation: Famous for its mountain vistas, longevity of its people, and the ancient Baltit Fort.

491. How many days did the 1965 War between India and Pakistan last?

Answer: 17 Days (6 to 23 September 1965)

Explanation: Ended with UN-mandated ceasefire and subsequent Tashkent Agreement.

492. In which year did the historic Battle of Yamama take place?

Answer: 632 AD (12 AH)

Explanation: Decisive battle of the Ridda Wars where the false prophet Musaylimah was eliminated.

493. Where is the Red Sea geographically situated?

Answer: Between northeastern Africa and the Arabian Peninsula

Explanation: Connected to the Mediterranean Sea via the Suez Canal and Indian Ocean via Bab-el-Mandeb.

494. Which city in Egypt is renowned worldwide as the 'City of the Pyramids'?

Answer: Giza (near Cairo)

Explanation: Home to the Great Pyramid of Giza, Pyramid of Khafre, Menkaure, and the Great Sphinx.

495. Which Italian canal city is famously known as the 'Queen of the Adriatic'?

Answer: Venice (Italy)

Explanation: Built on an archipelago of 118 islands in the shallow Venetian Lagoon on the Adriatic Sea.

496. What is the official currency of Cuba?

Answer: Cuban Peso (CUP)

Explanation: Official currency issued by the Central Bank of Cuba.

497. The Holy scripture 'Injeel' was revealed to which Prophet?

Answer: Hazrat Isa (A.S) - Jesus

Explanation: One of the four major heavenly books revealed by Allah Almighty.

498. In which month and year did the historic Gandhi-Jinnah Talks take place in Bombay?

Answer: September 1944

Explanation: Failed because Gandhi refused to recognize Muslims as a distinct separate nation.

499. What is the official length of the border between Pakistan and China?

Answer: 596 to 599 kilometers

Explanation: Demarcated peacefully under the 1963 Pak-China Boundary Agreement.

500. In which city is the historic Iqbal Park (now Greater Iqbal Park) situated?

Answer: Lahore

Explanation: Where the Lahore Resolution was passed on 23 March 1940; houses Minar-e-Pakistan.

501. Warsak Dam is built across which river in Khyber Pakhtunkhwa?

Answer: Kabul River

Explanation: Located approximately 30 km northwest of Peshawar city.

502. Who served as the Speaker of the Punjab Assembly during 2018-2022?

Answer: Chaudhry Pervaiz Elahi

Explanation: Served as Speaker of the 17th Punjab Assembly before becoming Chief Minister in 2022.

503. In which holy Islamic month did the Battle of Badr take place?

Answer: Ramadan (17 Ramadan 2 AH)

Explanation: The first decisive military encounter between truth and falsehood (Youm-ul-Furqan).

504. In which holy month was the Quran first revealed to Prophet Muhammad (PBUH)?

Answer: Ramadan (Laylat al-Qadr)

Explanation: Revealed in the Cave of Hira: 'The month of Ramadan in which was revealed the Quran'.

505. In which year did Pakistan become a full member of the Shanghai Cooperation Organisation (SCO)?

Answer: 9 June 2017

Explanation: Admitted alongside India at the Astana Summit in Kazakhstan.

506. What is the literal Hebrew meaning of the title 'Israel' bestowed upon Hazrat Yaqoob (A.S)?

Answer: 'One who strives with God' / 'Servant of God'

Explanation: Bestowed upon Prophet Yaqoob, whose descendants are called Bani Israel.

507. Which is the second most populous country in the world?

Answer: China (after India)

Explanation: Home to approximately 1.41 billion people.

508. In which Hijri year was the Treaty of Hudaibiyah signed?

Answer: 6 Hijri (628 AD)

Explanation: A 10-year peace treaty between Muslims and Quraish, declared 'Fath-um-Mubeen' by Allah.

509. In coordinate geometry, what is the fixed straight line of a parabola called?

Answer: Directrix

Explanation: A parabola is the locus of points equidistant from the focus and the directrix.

510. In coordinate geometry, what is the fixed reference point of a conic section called?

Answer: Focus

Explanation: Each conic section (parabola, ellipse, hyperbola) has at least one focal point.

511. What is the constant ratio of distance from focus to directrix in a conic section called?

Answer: Eccentricity (e)

Explanation: e = 1 for parabola, e < 1 for ellipse, e > 1 for hyperbola, and e = 0 for circle.

512. Who was the supreme commander of the Muslim forces in the expedition of Tabuk?

Answer: Prophet Muhammad (PBUH)

Explanation: Led 30,000 Muslims north to deter the Byzantine military threat in 9 AH.

513. In which year did the princely state of Swat formally merge into Pakistan?

Answer: 1969 (28 July / 14 October 1969)

Explanation: Ruler Wali of Swat Miangul Jahanzeb signed the instrument of accession under Yahya Khan.

514. Who was the first female martyr (Shaheeda) of Islam?

Answer: Hazrat Sumayyah bint Khayyat (R.A)

Explanation: Mother of Hazrat Ammar ibn Yasir (R.A), martyred by Abu Jahl for refusing to renounce Islam.

515. Which was the first commercial bank established in Pakistan in 1947?

Answer: Habib Bank Limited (HBL)

Explanation: Moved headquarters from Bombay to Karachi on Quaid-e-Azam's advice in 1947.

516. Where is the Amazon River predominantly located?

Answer: South America (principally Brazil)

Explanation: Drains the Amazon basin, the largest rainforest on Earth.

517. When and where was the United Nations Organization (UNO) officially founded?

Answer: 24 October 1945 in San Francisco, California, USA

Explanation: Charter ratified by the five permanent members and a majority of signatory nations.

518. In which year was the Organization of Islamic Cooperation (OIC) founded?

Answer: 1969

Explanation: Founded in Rabat, Morocco following the desecration of Al-Aqsa Mosque.

519. Which is the longest river in North America?

Answer: Missouri River

Explanation: Meanders 3,767 km before merging with the Mississippi River near St. Louis.

520. Who was the final prophet sent specifically to the Children of Israel (Bani Israel)?

Answer: Hazrat Isa (A.S) - Jesus

Explanation: Brought the Injeel and foretold the coming of Prophet Ahmad (Muhammad PBUH).

521. On which date did nuclear pioneer Dr. Abdul Qadeer Khan pass away?

Answer: 10 October 2021

Explanation: Died at KRL Hospital, Islamabad at the age of 85; buried with state honors at H-8 graveyard.

522. Which Surah of the Quran is traditionally referred to as 'Uroos-ul-Quran' (Bride of the Quran)?

Answer: Surah Ar-Rahman

Explanation: Renowned for its poetic rhythm and recurring refrain 'Fabi ayyi ala-i Rabbikuma tukadhdhiban'.

523. What was the relation of Abu Talib to Prophet Muhammad (PBUH)?

Answer: Paternal Uncle

Explanation: Raised the Prophet after Abdul Muttalib's death and provided tribal protection in Makkah.

524. According to the 1973 Constitution of Pakistan, sovereignty over the entire universe belongs to?

Answer: Allah Almighty alone

Explanation: Explicitly stated in the Preamble (Objectives Resolution) and Article 2.

525. Which country has been one of the largest importers of conventional weapons in recent decades?

Answer: Saudi Arabia / India

Explanation: Saudi Arabia and India routinely top SIPRI reports on international arms imports.

526. Who proposed the 'Quit India' resolution in August 1942?

Answer: Mohandas Karamchand Gandhi

Explanation: Adopted by the All-India Congress Committee demanding immediate British withdrawal.

527. How many general seats does each province hold in the Senate of Pakistan?

Answer: 23 Seats (previously 24 / total 104; now 96 post-25th Amendment)

Explanation: Ensures parity among the four federating units in the upper house.

528. Which is the largest living bird in the world?

Answer: Ostrich

Explanation: Native to Africa, flightless, and produces the largest eggs of any living land animal.

529. Which mountain range is located immediately north of Islamabad?

Answer: Margalla Hills

Explanation: Part of the Himalayan foothills, home to Daman-e-Koh and Pir Sohawa.

530. In which administrative district of Punjab is the ancient Harappa site located?

Answer: Sahiwal District

Explanation: Situated about 24 km southwest of Sahiwal city on the old course of the Ravi River.

531. What was Justice A. R. Cornelius famous for in Pakistan's legal history?

Answer: Renowned jurist and 4th Chief Justice of Pakistan (author of landmark dissents)

Explanation: Sole dissenting judge against the dissolution of the Constituent Assembly in 1955.

532. What was the approximate total population of Pakistan at independence in 1947?

Answer: Approx 75 million (West + East Pakistan combined)

Explanation: West Pakistan had roughly 33 million, while East Pakistan had roughly 42 million.

533. Who were the principal candidates in the 1965 Pakistan presidential election?

Answer: Field Marshal Ayub Khan vs. Mohtarma Fatima Jinnah

Explanation: Ayub Khan won the Basic Democrats electoral college vote under controversial circumstances.

Answer: Mount Everest (8,848.86 meters / 29,031.7 feet)

Explanation: Located in the Mahalangur Himal sub-range of the Himalayas on the Nepal-China border.

536. Who was the first female Prime Minister of Pakistan and the Muslim world?

Answer: Mohtarma Benazir Bhutto

Explanation: Sworn into office on 2 December 1988 at the age of 35.

537. What is the official currency of the Republic of Armenia?

Answer: Armenian Dram (AMD)

Explanation: Introduced in November 1993, divided into 100 luma.

538. What is the administrative capital of Gilgit-Baltistan?

Answer: Gilgit

Explanation: Gilgit is located along the Gilgit River and serves as the seat of the GB government.

539. What is the capital city of the People's Republic of China?

Answer: Beijing

Explanation: Beijing is the political and cultural center of China.

540. Which is the longest river flowing entirely within the Russian Federation?

Answer: Lena River (or Volga in Europe)

Explanation: The Lena flows 4,294 km into the Arctic Ocean; Volga is longest in European Russia.

541. Who served as the long-time president and leader of the Indian National Congress?

Answer: Sonia Gandhi

Explanation: Served as Congress President from 1998 to 2017 and 2019 to 2022.

542. Hazrat Maryam (Mary) is the mother of which noble Prophet?

Answer: Hazrat Isa (A.S) - Jesus

Explanation: Honored in the Quran with an entire Surah named after her (Surah Maryam).

543. In which year did the British colonial government enforce the Partition of Bengal?

Answer: 1905

Explanation: Announced by Viceroy Lord Curzon; annulled in 1911 by King George V.

544. In which Islamic month is Eid-ul-Fitr celebrated worldwide?

Answer: Shawwal (1st Shawwal)

Explanation: Celebrated at the end of the sacred month of Ramadan.

545. What is the maximum permissible length of a regulation cricket bat under MCC Laws?

Answer: 38 inches (96.52 centimeters)

Explanation: Law 5 dictates maximum bat length at 38 inches and blade width at 4.25 inches.

546. Which is traditionally classified as the longest river in the world?

Answer: Nile River (Africa)

Explanation: Flows approximately 6,650 km through 11 countries into the Mediterranean Sea.

547. Which sport originated at Harrow School in England in the 1830s?

Answer: Squash

Explanation: Developed from the older game of rackets by using soft, punctured rubber balls.

548. Who was the first Pakistani scientist to receive the Nobel Prize in Physics in 1979?

Answer: Dr. Abdus Salam

Explanation: Awarded for theoretical unification of the electromagnetic and weak forces.

549. Where is the industrial complex of Pakistan Steel Mills (PSM) situated?

Answer: Bin Qasim, Karachi, Sindh

Explanation: Built with technical and economic assistance from the Soviet Union in 1973.

550. Where is the famous Khewra Salt Mine situated in Pakistan?

Answer: Khewra, District Jhelum, Punjab

Explanation: World's second largest salt mine, producing iconic pink Himalayan rock salt.

551. Which is the longest and most voluminous river in Khyber Pakhtunkhwa?

Answer: Kabul River

Explanation: Flows from the Hindu Kush in Afghanistan through KP to merge with the Indus at Attock.

552. What is the total length of the Suez Canal in Egypt?

Answer: Approx 193.3 kilometers (120 miles)

Explanation: Stretches from Port Said on the Mediterranean to Port Tewfik at Suez on the Red Sea.

553. Which historic war was fought between 1861 and 1865?

Answer: American Civil War

Explanation: Fought between Northern Union states and Southern Confederate states over slavery and unity.

554. Which Middle Eastern nation hosted the FIFA Men's World Cup in November-December 2022?

Answer: Qatar

Explanation: First FIFA World Cup held in the Arab world; won by Argentina.

555. Which is the longest river flowing across northern Afghanistan?

Answer: Amu Darya (Oxus River)

Explanation: Historically called the Oxus, forming parts of Afghanistan's northern borders.

556. When and where was the first divine revelation (Wahi) sent to Prophet Muhammad (PBUH)?

Answer: 21 Ramadan 610 AD (Cave of Hira, Jabal-e-Noor)

Explanation: Angel Jibreel conveyed the first five verses of Surah Al-Alaq ('Iqra bi-ismi Rabbika...').

557. Who served as the Chief Minister of Punjab following the 2018 general elections?

Answer: Sardar Usman Buzdar

Explanation: Elected as CM on 19 August 2018.

558. Who was the first wife of Prophet Muhammad (PBUH)?

Answer: Hazrat Khadija bint Khuwaylid (R.A)

Explanation: Married when the Prophet was 25 and she was 40; remained his sole wife until her demise.

559. How many permanent veto-wielding member states comprise the UN Security Council?

Answer: Five (5) Permanent Members (P5)

Explanation: United States, United Kingdom, France, Russia, and China.

560. In which year did Pakistan formally join the Non-Aligned Movement (NAM)?

Answer: 1979

Explanation: Admitted at the 6th NAM Summit in Havana, Cuba after withdrawing from CENTO.

561. In which year was the historic Lucknow Pact concluded between Congress and Muslim League?

Answer: 1916

Explanation: Negotiated by Quaid-e-Azam, where Congress conceded separate electorates for Muslims.

562. To which countries does the Hindu Kush mountain range extend?

Answer: Afghanistan, Pakistan, and Tajikistan

Explanation: Spans roughly 800 km, meeting the Pamir Knot and Karakoram ranges.

563. When did India conduct its first underground nuclear test (Pokhran-I)?

Answer: 18 May 1974

Explanation: Codenamed 'Smiling Buddha', prompting Pakistan to launch its nuclear deterrent program.

564. Who served as the first Governor-General of the Presidency of Fort William (Bengal)?

Answer: Warren Hastings

Explanation: Assumed office under the Regulating Act of 1773.

565. What was the family relationship between Hazrat Uzair (Ezra) and other Quranic figures?

Answer: Revered righteous Prophet / Scholar of Bani Israel

Explanation: Honored in Surah At-Tawbah; Allah caused him to sleep for 100 years and resurrected him as a sign.

566. Who served as Chairman of the National Accountability Bureau (NAB) during 2017-2022?

Answer: Justice (Retd) Javed Iqbal

Explanation: Appointed following consultation between the Prime Minister and Opposition Leader.

567. What is the famous travelogue book composed by Moroccan explorer Ibn Battuta titled?

Answer: The Rihla (Tuhfat an-Nuzzar)

Explanation: Documents his 30-year journey across 73,000 miles spanning Africa, the Middle East, and Asia.

568. Habba Khatoon ('The Nightingale of Kashmir') was a renowned poetess of which language?

Answer: Kashmiri Language

Explanation: 16th-century mystic poetess and queen consort of Yousuf Shah Chak of Kashmir.

569. When did Pakistan sign and join the Southeast Asia Treaty Organization (SEATO)?

Answer: 8 September 1954 (Manila Pact)

Explanation: Ratified in 1955; Pakistan formally withdrew from SEATO in 1973.

570. South Africa is the world's preeminent producer of which precious metals?

Answer: Platinum, Gold, and Chromium

Explanation: Produces over 70% of the world's mined platinum output.

571. What was the historical ancient name of the city of Quetta?

Answer: Shalkot (or Shal)

Explanation: Fortified valley town historically referred to as Shalkot before colonial times.

572. Which country is the world's leading producer and exporter of natural uranium?

Answer: Kazakhstan

Explanation: Produces over 43% of the world's primary mined uranium supply.

573. In which year did Quaid-e-Azam Muhammad Ali Jinnah join the Indian National Congress?

Answer: 1906

Explanation: Joined during the Calcutta session as private secretary to Dadabhai Naoroji.

574. Which pass in the Hindu Kush connects Pakistan with Afghanistan?

Answer: Khyber Pass / Broghil Pass

Explanation: Connects Peshawar with Jalalabad through historic routes.

575. Hazrat Yaqoob (A.S) was the son of which noble Prophet?

Answer: Hazrat Ishaq (A.S) - Isaac

Explanation: Grandson of Hazrat Ibrahim (A.S) and twin brother of Esau.

576. Zakat is classified as which fundamental pillar of Islam?

Answer: Third (3rd) Pillar

Explanation: Obligatory financial worship designed to redistribute wealth and alleviate poverty.

577. In which Hijri year was the Battle of Hunayn fought?

Answer: 8 Hijri (630 AD)

Explanation: Fought shortly after the Conquest of Makkah against Hawazin and Thaqif tribes.

578. Which Pakistani batsman scored Pakistan's first-ever half-century in ODI cricket in 1975?

Answer: Javed Miandad

Explanation: Scored half-century against the West Indies at the inaugural 1975 Cricket World Cup.

579. Who authored the bestselling autobiographical memoir 'Becoming' (2018)?

Answer: Michelle Obama

Explanation: Former First Lady of the United States; describes her upbringing on the South Side of Chicago.

580. Where is the international headquarters of the North Atlantic Treaty Organization (NATO)?

Answer: Brussels, Belgium

Explanation: NATO has been headquartered at Boulevard Léopold III in Brussels since 1967.

581. How many angels did Allah send down to assist the Muslim army at Badr?

Answer: Up to 5,000 Angels

Explanation: Surah Aal-e-Imran, Ayah 124-125 mentions 1,000, 3,000, and 5,000 angels sent down.

582. Khunjerab Pass links Pakistan directly with which neighbor?

Answer: China (Xinjiang Autonomous Region)

Explanation: Highest paved international border crossing at an elevation of 4,693 meters.

583. Mirpur is a prominent district in which territory of Pakistan?

Answer: Azad Jammu and Kashmir (AJK)

Explanation: Known as 'Little Britain' due to its large expatriate community living in the UK.

584. Which is the largest natural freshwater lake in Europe?

Answer: Lake Ladoga (Russia)

Explanation: Covers 17,700 sq km in northwestern Russia near St. Petersburg.

585. On which date does the Kingdom of Saudi Arabia celebrate its National Day?

Answer: 23 September

Explanation: Commemorates the 1932 unification of the kingdoms of Nejd and Hejaz by King Abdulaziz.

586. What is the synonym of the word 'Hierarchy'?

Answer: Ranking / Pecking order / Grading

Explanation: Hierarchy represents a system where people or items are ranked by status or authority.

587. What is the synonym of the word 'Curious'?

Answer: Inquisitive / Prying / Eager to learn

Explanation: Characterized by a desire to investigate and acquire knowledge.

588. What is the synonym of the word 'Tempted'?

Answer: Enticed / Allured / Attracted / Convinced

Explanation: To be strongly attracted or enticed into a course of action.

589. What are the elements or entries of a Null Matrix (Zero Matrix)?

Answer: All entries are Zero (0)

Explanation: A matrix whose every entry is equal to zero, denoted by O.

590. Which is the largest landlocked country in the world by territorial area?

Answer: Kazakhstan

Explanation: Spans 2.72 million sq km across Central Asia without access to an open ocean.

591. Who compiled and authenticated the Hadith collection 'Sahih al-Bukhari'?

Answer: Imam Muhammad al-Bukhari

Explanation: Devoted 16 years to compiling over 7,000 authenticated traditions from 600,000 Hadiths.

592. Where is the Pakistan Institute of Medical Sciences (PIMS) situated?

Answer: Islamabad (Sector G-8/3)

Explanation: One of the premier tertiary healthcare and research institutions in Pakistan.

593. Against whom was the Battle of Khaybar fought in 7 Hijri?

Answer: Jewish tribes of Khaybar oasis

Explanation: Muslims conquered the fortified Jewish strongholds under the leadership of Hazrat Ali (R.A).

594. Which region is traditionally honored as the 'Land of the Prophets' (Ardh-ul-Anbiya)?

Answer: Palestine (Kanaan / Levant)

Explanation: Where countless prophets including Ibrahim, Ishaq, Yaqoob, Dawood, and Isa walked.

595. In which district of Punjab was the proposed Kalabagh Dam planned?

Answer: Mianwali District

Explanation: Proposed on the Indus River below its confluence with the Soan River.

596. In which battle was the pagan chieftain Abu Jahl killed?

Answer: Battle of Badr (2 AH / 624 AD)

Explanation: Mortally wounded by teenage brothers Mu'adh and Mu'awwidh and beheaded by Abdullah ibn Masud.

597. What is the antonym of the word 'Obnoxious'?

Answer: Pleasant / Delightful / Agreeable / Charming

Explanation: Obnoxious means extremely unpleasant; delightful means highly pleasing.

598. Where is the global headquarters of the United Nations (UN) situated?

Answer: New York City, New York, USA

Explanation: International territory situated along the East River in Manhattan.

599. When was the International Committee of the Red Cross (ICRC) founded?

Answer: 9 February 1863 (Geneva, Switzerland)

Explanation: Founded by Henry Dunant; three-time recipient of the Nobel Peace Prize.

600. Where did the landmark direct peace talks between the US and the Afghan Taliban take place?

Answer: Doha, Qatar (29 February 2020)

Explanation: Resulted in the historic Doha Agreement paving the way for foreign troop withdrawal.

601. What core principle serves as the constitutional and institutional foundation of the European Union?

Answer: Rule of Law, Democracy, and Human Rights

Explanation: Embedded in the Treaty on European Union (Article 2).

602. Which province/territory of Pakistan shares the international border with China?

Answer: Gilgit-Baltistan

Explanation: Border established via Khunjerab Pass in the Karakoram range.

603. Rotterdam is the largest and most prominent seaport of which country?

Answer: The Netherlands

Explanation: Largest seaport in Europe, situated at the mouth of the Rhine-Meuse-Scheldt delta.

604. How many major scholarly books did Islamic reformer Shah Waliullah Dehlawi compose?

Answer: Over 51 Books

Explanation: Authored monumental works including 'Hujjatullah al-Baligha' and Persian translation of Quran.

605. In linear algebra, a matrix in which every single entry is zero is called?

Answer: Zero Matrix / Null Matrix

Explanation: For any matrix A, A + O = A.

606. What is a triangle with two sides of equal length called?

Answer: Isosceles Triangle

Explanation: The angles opposite the equal sides are also congruent.

607. In trigonometry, what is the evaluated value of tan(270° - x)?

Answer: cot(x)

Explanation: In the 3rd quadrant, tangent is positive: tan(3π/2 - x) = cot(x).

608. In which quadrant does the angle (270° - x) lie for acute x?

Answer: 3rd Quadrant

Explanation: Angles between 180° and 270° fall in the third quadrant where tan and cot are positive.

609. What is the capital city of Colombia?

Answer: Bogotá

Explanation: Located on a high plateau in the Andes mountains at an elevation of 2,640 meters.

610. Who wrote the famous Pakistani Urdu novel 'Raja Gidh' (1981)?

Answer: Bano Qudsia

Explanation: Masterpiece novel exploring the psychological concept of spiritual versus illegitimate sustenance.

611. Which is the official national winter sport of Canada?

Answer: Ice Hockey

Explanation: Lacrosse is official summer sport; ice hockey is official winter sport.

612. What is a diagonal matrix with all main diagonal elements equal called?

Answer: Scalar Matrix

Explanation: A scalar matrix is of the form k * I, where I is the identity matrix.

613. In which Pakistani city was the automated Orange Line Metro Train inaugurated?

Answer: Lahore

Explanation: Commercial operations commenced in October 2020 as part of CPEC public transit.

614. In mathematics, what is the calculated value of the permutation 6P3?

Answer: 120

Explanation: Calculation: 6P3 = 6! / (6 - 3)! = (6 * 5 * 4 * 3!) / 3! = 6 * 5 * 4 = 120.

615. In differential calculus, what is the derivative of a constant k?

Answer: Zero (0)
