MADE BY HAKEEM

بسم اللہ الرحمن الرحیم

اسلام وعلیکم امید کرتا ہوں کہ آپ سب ٹھیک ہو نگے اللہ تعالیٰ آپ سب کو خوشیاں اور کامیابیاں نصیب فرمائے آمین ثم آمین

میری اس نوٹس کی بنانے کا مقصد یہ تھا تا کہ آپ سب کو اس بات کا یقین ہو سکے کہ ہم کسی سے کم نہیں ہم خود گھر بیٹھ کی تیاری کر سکتے ہیں آپ سب کو کوئی اکیڈمی جوئن کرنے کی ضرورت نہیں اکیڈمی والے بہت لالچی ہوتے ہیں وہ پیسوں کے لیے آپ لوگوں کو کئی مشورہ دینگے اور وہ آپ لوگوں کو باتوں میں لا کر آپ سب کو جزباتی کر کے آپ لوگوں سے پیسے لے لیتے ہیں اور یہ لوگ آپ لوگوں کو پیسوں کے لیے کئی جھوٹ بول دیتے ہیں، یہ لوگ اپنے ملک کے عوام کو لوٹ رہے ہیں تو ہمارا ملک اس طرح

کیسے ترقی کرے گا؟ میں یہ نہیں کہتا کہ یہ اچھا نہیں پڑھاتے بلکہ یہ لوگ اپنے ملک کے عوام کے ساتھ زیادتی کرتے ہیں کیونکہ یہ نا جائز فیس لیتے ہیں ان کا کام ہوتا ہے، ہزار یا دو ہزار کا اور یہ لوگ ہزار کے بجائے دس ہزار اور دو ہزار کے بجائے بیس ہزار لیتے ہیں تو یہ ہے نا اپنے ملک کے عوام کو لوٹنا اور اس کے علاوہ فیسبک اور واٹسپ پر آپ کو کئ ایسے لوگ بھی ملینگے کہ آپ اکیڈمی کے بغیر تیسٹ پاس نہیں کر سکتے یا یہ اکیڈمی سب سے اچھی ہے تو یہ لوگ بھی اکیڈمی والے کی پالشی ہوتے ہیں ان لوگوں کو اکیڈمی والے کمیشن دیتے ہیں اس لیے یہ لوگ بھی اکیڈمیوں کی پالشی بنے ہوتے ہیں اس لیے ان سے پرہیز کریں آپ میں سے جب بھی کسی کو تیاری کرنے ہوں تو مجھے میرے واٹسپ پر مسیج کریں

شکریہ

~ last I want to tell you the things which I realised today that is fear . Fear will not let you to do something correctly, however If you have ability to do some thing and you can do well it but when you will afraid of that thing then you could’t do. This is fact today I observed, I could solve the verbal and non-verbal but due to my this weakness of fear I couldn’t and failed. So I want to tell you gays that don’t be afraid of fail or something keep hard working and firm trust on God Inshallah you all will be successful.

By the grace of Allah(s.w.t) I have passed my initial screening, medical and physical test. Now I want to share my experience with you my brothers.

Initial screening:

Verbal and non verbal were easy if you practiced from dogar or any other book and pdf's you will easily passed the test very easy pattern related questions, directions and relationship questions, number and series related questions. Academic questions were bit hard but you all can easily passed that test also. Insha'Allah

Medical:

First you have to fill a form then wait in a line but in trousers only no shirt weight and height will be checked then eyes then doctor will examine everyone at once.

Physical:

Except 1 mile run everything was really easy I completed my run in 7:30 then chinups, ditch crossing, sit-ups they will provide you support for sit-ups and then pushups after that you have to wait for your slip then passed candidate have to fill interview forms so “Be prepared to fill that form” I mean you have to know the official names, ages,

salary and other details of your family members…

And after all this they will send you home and you have to wait for your interview…

Please do pray for me and other brothers for their interviews.

Non verbals were tough, very tough. None of them was a repeated question and a different sequence pattern was to be followed. A lot of practice is to be done in order to understand non-verbal sequences. Academics very super easy.

Basic questions and many of them were repeated.

Prepare well and gather as much information as you can. You will clear the test Inshaa'Allah.

My initial was today and by the grace of god I passed it , the only study that I did was from the 1000 mcqs video on hakeem Bhai's YouTube , from which I only did 450 mcqs one night prior, the

verbal part was very easy but the questions usually cost you a lot of time , non verbal was also easy but if you're tired it'll cost you a lot of time too , academical was kinda hard , some of the questions that were asked were

A)1st Governor General of India

b) Hazrat Muhammad (PBUH) daughters

C) World bank headquarter (New York)

D) Hottest place on earth

And some date questions like it Monday falls on the 14th of a month then what day will be on 4th

Direction questions

Also I’d advise you to just go through those 1000 mcqs ,it’ll just take ya about two hours to go through enough of em

Alhamdullillah cleared my Initial TEST + MEDICAL.

Verbal and non-verbal were mostly repeated. Same type that were in previous 149 course.

1-If 1st day of the week is this then what would be the 14th day almost ten questions of this

2-Number series were very easy

#Academic was very difficult as compared to 149L/C I only knew almost 15 questions but Alhamdullillah Allah pr

bharosa rkh kr apni taraf sy kareeb tareen answers lgaye or pass ho gya.

Zyada questions islamic history k thy or islam sy related thy almost 20 to 25.

Medical bh iss dafa pichli bar sy kuch tuff tha.

Or #Tips k liye yehi kehna chahun ga k jaldi questions krny ki koshish karen kyun k verbal non-verbal mn time kafi kaam hota h iss liye jo smjh mn aye kr den jis k smjh na lagy uss ko ly kr na bethy rahen skip kr den or baad mn sab krny k baad un ko solve karen. Or akhri 2 minute mn agar zyada questions rhty

hon tu sirf andazay pr lgatay jaen solve na karen ta ky app sab ka answer dy sako or koi question bh miss na ho.

Best Of Luck For Your Tests.

And Thanks Hakeem Bhai. Mainy jo tayyari ki th unhin k notes sy ki th iss baar pichli dafa book sy ki th or iss dafa un k notes sy.

Academic almost bata diye hen

My recommdetion for students

✓ Verbal men aap ne aik kaam karna he verbal kaafi repeated hote hen usmen main cheez aap ko question ko solve karne ki trick aani chahiye jo mere liye possible hui through youtube channel of {Pro genius students}

I'll suggest you all go and check their playlist of verbal tricks.

Inshallah you will qualify verbal.

Baqi non verbal mind game hoti uske bhi questions bohat easy hote hen agar aap unpe focus karen.

✓ { Aap ne academic ki agar preparation karni he to aap youtube pe (aliways, hakeem forces academy, and cadet guider ko explore karna he.)

They helped me really really too much!!

Allah pak in logo ko ajar dega. Jab aap test clear kar lete hen to jo aap ki dil se dua nikalti he wo in logo ke liye hee nikalti he.

You people are doing very well I salute you all }

{Ali ways ki aik playlist bani hui he 149 ke academic experiences ki wo aap ne zarur dekhni he mostly waheen se questions aate hen.}

My Suggestion for students

1—Sab se pehle aap ne mehnat ka daman nahi chorna mene 15 se 20.din 12 12 ghantey parhai ki just from youtube!! No thing is impossibe.

2—Test dene jab bhi jaen jane se pehle apne parents se dua zarur leni he.

3—Main suggestion aap ne test ke doran time ki fiqar bilkul nahi karni only focus on your questions..

4—Hakeem bhai ke jo notes hen verbal ke wo aap ne zarur dekhne hen agar wo aap ko smjh nahi aarahe to unko samajhne ke liye aap ne *progenius students* ka youtube channel dekhna he bilkul easy way men unho me samjhaya he.

5- Aap ne apni mehnat zaroor karni he uska sillah Allah pak zarur dega is baat pe mera 100% yaqeen hogaya he.

6-- In last Agar aap ko mere is message se kuch haasil hua he to ap ne mujhe bhi apni dua men shamil zarur karna he ke mere liye Allah pak aage aasani kare or mujhe kamyabi atta kare.

Aameen

Thank you…

Alhamdullillah cleared my Initial TEST + MEDICAL.

Verbal and non-verbal were mostly repeated. Same type that were in previous 149 course.

1-If 1st day of the week is this then what would be the 14th day almost ten questions of this

2-Number series were very easy

#Academic was very difficult as compared to 149L/C I only knew almost 15 questions but Alhamdullillah Allah pr bharosa rkh kr apni taraf sy kareeb tareen answers lgaye or pass ho gya.

Zyada questions islamic history k thy or islam sy related thy almost 20 to 25.

Medical bh iss dafa pichli bar sy kuch tuff tha.

Or #Tips k liye yehi kehna chahun ga k jaldi questions krny ki koshish karen kyun k verbal non-verbal mn time kafi kaam hota h iss liye jo smjh mn aye kr den jis k smjh na lagy uss ko ly kr na

bethy rahen skip kr den or baad mn sab krny k baad un ko solve karen. Or akhri 2 minute mn agar zyada questions rhty hon tu sirf andazay pr lgatay jaen solve na karen ta ky app sab ka answer dy sako or koi question bh miss na ho.

Best Of Luck For Your Tests.

And Thanks Hakeem Bhai. Mainy jo tayyari ki th unhin k notes sy ki th iss baar pichli dafa book sy ki th or iss dafa un k notes sy.

A lot of repeated questions again

For me academic was tough but there is one thing that if you donot know any question then donot get stuck on that very question but move on and try to go through all the questions one time (this is must). Some questions which I remember are:

When Pakistan joined SEATO: 1954

Which prophet has his name mostly taken in Quran: Hazrat Musa (AS)

Hazrat Hajra was mother of which prophet: Hazrat Ismail (AS)

Banu Nazirs were: Jews

Y=6x passes through: options were latusrectum, focus etc (answer not confirmed)

One suggestion to my brothers that try not to tell anybody about any kind of your tests keep these things in the circle of your family.

At last, so much thanks, love and prayers for Hakim Khan Bhai.

May Allah give you happiness in this life and the one hereafter Hakim Bhai!

Aameen.

Assalamualikum, (ASRC Karachi)

Alhumdulillah Cleared my Initial Test by the grace of Allah Almighty

Verbal Test

84 questions to be attempted in 30 min

I wasn’t able to attempt all but almost 85% of the questions were done by me

and it gor cleared. The questions were not that much typical nor even too easy, most of them were repeated like that one with 90% of 90 etc. My personal opinion would be to memorize Ulti ABCD and the Number of Alphabet for example the Letter "O" is at 15th position in Alphabets, this helps in a lot of Verbal Questions

Non Verbal Test

64 Questions to be attempted in 30 min

Non Verbal Problems were a bit tricky but with Practice, one can easily solve them, I attempted all 64 of them and

got cleared. My personal guidance for Non Verbal Test will be to focus on Judging “Directions (Like North, East, South, West, North East, South East, North West and South West)” and also to precisely judge on clockwise and anti clockwise directions.

Academic Test

50 questions to be solved in 30 min

Academic test mostly based on General Knowledge one with fine group on topics like Pakistan History and most importantly Islamic History can easily tackle this section and also good

knowledge on geopolitical scenarios is needed.

Please remember everyone in prayers for the upcoming tests, May Allah Bless you all Ameen.
