Name:XYZ Status:Alhamdulillah
Written Test and Medical cleared..
Center:ASRC MZD Verbals were quite easy almost all of them were from hakeem pdf so make sure to check it out Non Verbals
The toughest part of written test were non verbals the symmetries were quite tough and alot of time was wasted in every MCQs so make sure that you have enough practice to be able to understand it easily. Academic
Half of them were from hakeem bhai notes but some of them were difficult and new like..
(1)Where is headquarters of INTERPOL located..
(2)In which tennis competition the tennis court is made of grass... (3)Mansk e Hajj ki tadaad...
(4)Which country had most casaulties n WW2...
(5)Laat and Uzza were names of...
There were 3 to 4 Maths basic questions and 2 change of voices in english and 4 to 5 synonyms and antonyms of different words. In the end I would say all of you should check out hakeem bhai

notes before going for initial and take as much knowledge as you can.Thanks alot hakeem bhai for your guidance and plz all of you remember me in your prayers.

Assalam O aliqum,

In this expirience i am going to share my asrc expiriance questions were almost same that every body shared in this group!

➡ SOON : here i am gonna share my expiriance sorry for being little late first of all in our respective center they didn't leave a single pen with us it means you have to be prepair for this no rough work all you have to do is count on your fingers and be quick actually dont think about this stay easy and calm almost verbals and non verbals were repeatead but non verbals were time consuming keep practicing also acadmics were not repeated at all focus on your acadmics more then others

A little piece of advice dont waste your time on keep thinking on one Question if you are not sure about that particular question skip it or little guess and clip keep moving ahead becouse there were more easy question ahead which you can solve easily if you are well prepared, also boiz medical is going to be to strict if you have enough time in you initial test make sure you will prepair your self phyiscally To do pushaps and all other stuff to avoid any circumstance that will cause any kind of problem for you,

at last Good wishes for single one of you out there remember me in your prayers for my next stages peace out 😇

PMA Long Course 152.

Date:24 May 2023

Name: Muhammad Rehan

Center:AS&RC FAISLABAD

Status:Pass Alhumdulilah

I'm going to Share My Experience.

VERBAL: Verbal were Easy But You Need To Practice more and More, 60% Were Repaeted From PDF And others were no To Much Complected.

Most are of Age, Day's, Directions And Series of English Alphabets.

If One Aircraft Use 80 Gallons Fuel to Travel 540 Kilo meter then For 700 KM How Much Fuel Would be required .

NON VERBALS: These Were To Much Complected and Tough You Should Practice of These As Much As You Can Because They were Time Consuming and Difficult. If You Find a Question More Thek Just Skip It And Move On Next One Don't Waste Your Time On a Single Question.

ACADEMIC: It Was Not Difficult For Me Because I prepared it From All The Videos of 151 Long Course and From Most Repeated Question Of Hakeem Forces Preparation . Almost 70% Academic Was From There But Some Were new For me Like,

1: Meaning of Undaunted.

2: Which surah is Called Surah Al Qasas.

3: Ali Ghar Tehreek Date.

4: Which Had The Ability to Listen voice of Birds.

5 :(CosecX)(CosX).

Warsak Dam Is In .

6: How Many Seats of Punjab In National Assembly.

7: Word Olympic is Taken From .

8: 1st Olympic games were Held in .

9: Fatima Jinnah Died in which Year .

10: 1st Ambassador To China .

Bs or Ziada Yaad Nhi Aa Rhy Etna Hi Khon Ga K Achy Sy Tiyaari Kr K Jayen Allah Pak Aap Sb Ko Yamyaab Kry Ameen!

Most of the test came from pdfs. The only thing that stops you is time if you manage the time you pass it.

Practice the percentage questions.

*kpk first state provincial Minister.

*Punjab total area.

*Khyber pass connect to which Afghanistan provinces.

*USA conied name after which president .

*90 percent of 60.

*If a student gets 15 marks from a test out of 60 what is the percentage.

*Pakistan is divided into how many geographically states something like that.

Non verbal is a little tricky you have to be fast.

*what is the meaning of jihad.

*What is the literal meaning of Zakat.

*What is the meaning of literally Pakistan-pure land or land of pure.

*Bat cannot see snake cannot hear.

*Synonym of frustration.

*As foot is to knee then hand is to.you don't need prepare from elsewhere just focus what Hakeem has sent to you.

Assalamualaikum Hakeem Bhai!

Name: Emad

Center: Faislabad

Date: 31-5-23

Status: Passed

The main thing is to manage time to pass the initial test

➡ Verbal was easy but time consuming especially the sequence and series questions

Most questions were related to age, days of month and English alphabets.

➡ Non verbal was not much time consuming but was a bit complex

➡ Academic portion was mainly words synonyms and antonyms and about Pakistan history especially related to constitution. 2/3 questions were of Direct/Indirect and Active/Passive

I can share some of questions for you which I remember:

➡ Which is the largest Airport of Pakistan?

➡ Who was the first constitutional prime minister/president of Pakistan?

➡️Which country is present in the west of Pakistan?

➡️ Why we boil milk?

➡️ Why we send children to schools?

➡️ Antonym of wild?

➡️ Which river separates Pakistan and India on border?

➡️ By which treaty Kashmir was given to Raja Gulaab Singh?

➡️ Derivative of exponential function?

➡️ Who named UNO?

➡️ Indo-Pak war of 1965 lasted for how many days?

These are some questions which I remember.

If you read the 100 questions pdf of verbal,I hope you will clear it but you should manage time of 84 mcqs in 31 mins.

You can also see pdf of non-verbal in group and also can watch the explanation videos of non-verbal on YouTube.

Last but not least, thanks Hakeem bhai for providing the helping hand to us.

May Allah give success to all the candidates,Ameen.

Status. Pass

Only 4 out of 25 selected

Essay: Facebook should be banned.

Meri zindagi ka maqsad.

Interview:

May i come in

Sir: yes come in

Sir: apka naam ka matlab kia he.

Told

Sir: good good. Okay. Please introduce yourself.

Told

Sir: your grades are very low. Why?

Me: sir it's not the fault of anyone except me. I will not criticise my college or school. I preferred sports over my academics and because of that my academics suffered.

Sir: okay. If i ask you to touch arabian sea and come back. How much time will it take.

Me: after one or two confusing lines i spoke, i gave him the answer 25-30 minutes (because i live in Karachi)

Sir: (smiles) okay oky. Whats the length and width of the table in front of me. please show me.

Me: should i stand and come?

Yes

Me: told.

Sir: ok sit down (smiles)

Then sir asked me about my sports (for 3-4 minutes straight) then he said okay thank you. You can go now. (he was smiling the whole time)

Bohot saray larko se bohot mushkil or bohot geography ke sawal puche. Mujh se sirf smile karke sara interview lia and with easy questions. Reason? I was dressed well. I was keeping eye contact constantly. I had smile on my face the whole interview. My English was good and fluent.

Baki larko ne jeans pehni thi. Kisi ne neeche loafers pehne thay. Koi kameez shalwar me tha. Koi pura 3 piece me aya tha itni garmi me.

Dress code should be: Full sleeved Formal shirt (light colour). Your sleeves should not he folded. Dress pant (dark colour). Formal shoes (must with laces)

Me ne tie nhi pehni thi. Akela me tha pooray 25 me jis ne tie nhi pehni thi. And your hairs should be combed really well also.

Thanks alot.

Aslam-u-Alikum gentleman

I did the Initials test on 25th of may it was quite easy for all those

who study bit but with attention. Kindly have a look on experiences like repeated McQs, 70% repeated paper.

Do practice of non verbal coz some times it's time talking

And have a look on Time Coz time was very short for those who bit weak

Be easy, calm & Don't take stress, it's not as

tough as the candidate told

Many academic and verbal questions are form hakeems bhai's pdf

God bless you

Aslam u Alaikum everyone

Name : Syed Rabnawaz Shah

From : Barkhan

Status : Alhamdullillah Pass

Verbal test: The verbal test was neither too easy nor too tough , almost 12 to 13 MCQs were among the Hakeen sb's shared experiences but you should know that many of the others were unseen.

Non verbal : Non verbal in the test were so tough and illogical but you can solve InshaAllah.

Academics: most difficult portion was the academics but many questions were

repeated that were shared by Hakeem sb.

Questions that I remember:

1)90% of 90

2)A man bought a thing in Rs 30 and sold Rs40 whats %age

3)In a class of 1500 students 1300 are male what's the percentage of female

4) One fourth of one tenth of 120 and also a question was same like this but the number was 90

5)why we boil milk

6) why we send children to school

7) mourley reforms

8) Olympia is situated in which country

9) teeth of holy prophet were martyred in which ghazwa

10) in a class of 500 students 340 are present what's the percentage of absent students

11) Under whom the first constuent assembly was inaugurated

12) tarbela dam was built in which year

13) period of years in making of first constitution of pakistan

14)population of pakistan (it had very confusing answers so check it accurately)

15) chess was made in which country

So:

Many odd one out questions in all three formats were repeating from hakim sab’s notes

Age questions were 10 to 12 and were easy

But

Don’t take it non serious because other questions were so tough.

May Allah succeed all the students and give

my teachers and hakeem sab a safe and healthy life.

Thank you!

Hlo .I have given my initial test on 6 June 2023. I have passed

initial test .Alhamdulilah. Verbal , non verbal and academic test. I prepared from hakeem forces youtube channel for academics portion and surprisingly 80% mcqs were same which I had learnt from

youtube channel . I had done all the academic portion under 6 minutes because I knew almost all of them .

Verbal almost 86 mcqs in 30 minutes krne the. Sare attempt krna impossible hai. Jo

dekhte sath hi ho jaen wo attempt krdo wrna skip krdo kyon keh kuch boht time consuming hote hain aur answer ki certainty bhi nahi hoti bad mein boht se asan mcqs hote hain , jese percentages (9% of 90

) jo ek second mein ho jata hai .

Non Verbal boht basic aur asan the . Jaldi nah kro ek dafa ghor se dekho, phir age se sare easy lagte hain mujhee sare ate the aur 10 min pehle kr liye the. Phir academic

portion ata hai. Islamic mcqs , pak history dates , names aur country capital aur currency sb repeat ho rhe , is liye hekeem forces youtube channel se krlo tumhara ho jae ga .

Boht hi zyada simple questions thy. Kuch bhi

mushkil nai tha. Jo questions Hakeem Bhai ny share kiye thy 90% wohi aaye the.

Kuch bhi mushkil nai hota, thodi si preparation ky saath it can be cleared easily.

Lekin subh sy important baath ye ky

udhar aese candidates bhi thy jinho ny boht zyada preparation ki thi aur test sy pehle un ko saare MCQ's yaad thy lekin jabh test ky liye baitey tho darr gaye confidence nai thi un mei jis ki wajah sy itni mehnat ky

bawajood bhi wo fail ho gaye. Tho iss test mei thodi si preparation ky ilawa zaroori baath ye hy ky khud ko insaan thoda calm and cool rakhay aur aaram sy test dy, aur khud py believe kre. InshAllah mehnat

kisi ki bhi zayaa nai jaati those who prepare will easily clear the test. It is too easy. Focus and believe in yourself 👍

Again, thanks to Hakeem Bhai for his help and support, Allah aap ko khush rakhay
