PMA IMPORTANT MCQs

Verified Answers & Related Facts

PMA Long Course Initial Test Preparation

Requested font sizes: Question 22 pt | Answer 20 pt | Related Facts 18 pt

Verification cut-off: 14 October 2026

Editorial notes

Only the questions supplied in the submitted list are included. Original numbering is preserved; Question 58 was not present in the supplied list, so no Question 58 has been invented. Incorrect, outdated or ambiguous key answers have been corrected or explicitly qualified. Current office-holder answers are date-stamped because they can change.

Study tip: Memorize the corrected answer, then review the related facts for likely follow-up or “additional angle” questions.

Question 1. Who passed the Objectives Resolution?

Answer: It was moved by Prime Minister Liaquat Ali Khan and passed by Pakistan's Constituent Assembly on 12 March 1949.

Related Facts

- It was presented on 7 March 1949.
- It set out principles for Pakistan's future constitution, including democracy, freedom, equality and social justice within an Islamic framework.

Question 2. What is another name for the Holy Quran?

Answer: Al-Furqan is one of the Quran's names.

Related Facts

- Al-Furqan means “the Criterion” - that which distinguishes truth from falsehood.
- Other Quranic descriptions include Al-Kitab and Al-Dhikr.

Question 3. When were the Montagu-Chelmsford Reforms enacted?

Answer: The Government of India Act 1919 implemented the Montagu-Chelmsford reforms.

Related Facts

- The reforms proposed dyarchy in the provinces.
- Edwin Montagu was Secretary of State for India; Lord Chelmsford was Viceroy of India.

Question 4. How many major rivers are commonly listed for Balochistan?

Answer: Some general-knowledge sources list seven major rivers, but the count depends on how rivers and seasonal streams are classified.

Related Facts

- Important rivers/streams include Hingol, Dasht, Porali, Hub, Zhob, Nari and Bolan.
- Much of Balochistan is arid, and many waterways are seasonal.

Question 5. Which Surah is named after an ant?

Answer: Surah An-Naml (Surah 27).

Related Facts

- “An-Naml” means “The Ant”.
- The ant is mentioned in the account of Prophet Sulayman (Solomon), peace be upon him.

Question 6. When were Pakistan's first general elections held on the basis of adult franchise?

Answer: 7 December 1970.

Related Facts

- These were Pakistan's first direct general elections.
- The Awami League won a majority of the National Assembly seats, largely in East Pakistan.

Question 7. Which countries are the Baltic States?

Answer: Estonia, Latvia and Lithuania.

Related Facts

- All three border the Baltic Sea.
- Finland, Poland, Germany and Russia are not counted among the three Baltic States.

Question 8. When was the Pirpur Report published?

Answer: 1938.

Related Facts

- It was prepared under Raja Muhammad Mehdi of Pirpur for the All-India Muslim League.
- It alleged Congress ministries mistreated Muslims in provinces governed by Congress after the 1937 elections.

Question 9. When did the Cabinet Mission come to India?

Answer: 1946.

Related Facts

- The British Cabinet Mission arrived in March 1946.
- Its members were Lord Pethick-Lawrence, Sir Stafford Cripps and A. V. Alexander.

Question 10. What is the real cube root of unity?

Answer: 1.

Related Facts

- The equation $x^3 = 1$ has three complex roots: 1 and $(-1 \pm i\sqrt{3})/2$.
- In basic real-number questions, the cube root of 1 is 1.

Question 11. When did Khalid ibn al-Walid accept Islam?

Answer: Around 8 AH (628 CE), before the Conquest of Makkah.

Related Facts

- He later became a leading Muslim commander and was known as Sayfullah (“Sword of Allah”).
- The exact date is usually given in seerah chronology as 8 AH.

Question 12. When did Abu Sufyan accept Islam?

Answer: At the time of the Conquest of Makkah, in 8 AH (630 CE).

Related Facts

- The Conquest of Makkah occurred in Ramadan, 8 AH.
- Abu Sufyan was the father of Muawiyah ibn Abi Sufyan.

Question 13. Hazrat Muadh ibn Jabal was appointed governor/representative to which region?

Answer: Yemen.

Related Facts

- Prophet Muhammad (peace be upon him) sent Muadh ibn Jabal to Yemen to teach and judge.
- This is a well-known report in Islamic history and hadith literature.

Question 14. What is the inverse of a scalar matrix?

Answer: The inverse of a non-zero scalar matrix is also a scalar matrix.

Related Facts

- If $A = aI$ and $a \neq 0$, then $A^{-1} = (1/a)I$.

- A zero scalar matrix has no inverse because its determinant is zero.

Question 15. Simplify sin(180° − x).

Answer: sin(180° − x) = sin x.

Related Facts

- Sine is positive in the second quadrant.
- The identity uses degrees; in radians, sin(π − x) = sin x.

Question 16. Since when has Pakistan observed Defence Day on 6 September?

Answer: The annual observance began in 1966, marking the first anniversary of the 1965 war.

Related Facts

- Defence Day commemorates the defence of Pakistan during the Indo-Pakistani War of 1965.
- It is observed every year on 6 September.

Question 17. What was the former name of Attock city?

Answer: Campbellpur.

Related Facts

- The city was renamed Attock in 1978.
- Attock Fort lies near the strategic crossing of the Indus River.

Question 18. What is the length of the Pakistan-Afghanistan border?

Answer: It is commonly estimated at about 2,640 km (about 1,640 miles); some references give different figures, including around 2,430 km.

Related Facts

- The border is known as the Durand Line.
- The Durand Agreement was signed in 1893 between Mortimer Durand and Amir Abdur Rahman Khan.

Question 19. When was the Geneva Accords/Pact on Afghanistan signed?

Answer: 14 April 1988.

Related Facts

- The agreements concerned the withdrawal of Soviet troops from Afghanistan.
- The Soviet withdrawal was completed in February 1989.

Question 20. Which country is known as the Land of the Rising Sun?

Answer: Japan.

Related Facts

- Japan is called Nihon or Nippon in Japanese, commonly interpreted as “origin of the sun”.
- Tokyo is Japan's capital.

Question 21. How many agencies did the former FATA consist of?

Answer: Seven tribal agencies.

Related Facts

- The seven agencies were Bajaur, Khyber, Kurram, Mohmand, Orakzai, North Waziristan and South Waziristan.
- FATA was merged into Khyber Pakhtunkhwa in 2018; it is no longer a separate federal territory.

Question 22. What was the religion of the Negus (Najashi), king of Abyssinia, at the time of the early Muslim migration?

Answer: According to the traditional Islamic account, Najashi was a Christian ruler who gave protection to Muslim migrants.

Related Facts

- Abyssinia refers broadly to the historic Ethiopian region/kingdom.
- Ja'far ibn Abi Talib spoke to Najashi on behalf of the Muslim migrants.

Question 23. Which is the most developed continent?

Answer: There is no single official answer; development rankings depend on the indicator used. Europe and North America both rank highly on many human-development measures.

Related Facts

- The Human Development Index compares health, education and income.
- For an MCQ, follow the test's specified metric or its prescribed answer key.

Question 24. What is the last letter when “UTYEAB” is arranged alphabetically?

Answer: Y.

Related Facts

- Alphabetical order is A, B, E, T, U, Y.
- The final letter after sorting is Y.

Question 25. What is the third letter when “MANAGEMENT” is arranged alphabetically?

Answer: E (the letters sort as A, A, E, E, G, M, M, N, N, T).

Related Facts

- The original answer “G” is incorrect: G is the fifth letter in the sorted sequence.
- Always sort repeated letters too; do not remove duplicates.

Question 26. If yesterday was Friday, what day will it be the day after tomorrow?

Answer: Monday.

Related Facts

- Yesterday Friday means today is Saturday.
- Tomorrow is Sunday, so the day after tomorrow is Monday.

Question 27. How many months have 31 days?

Answer: Seven months.

Related Facts

- January, March, May, July, August, October and December have 31 days.
- April, June, September and November have 30 days; February has 28 or 29.

Question 28. There are 30 people in a room and the male:female ratio is 3:2. How many females are there?

Answer: 12 females.

Related Facts

- There are 5 total ratio parts; 30 ÷ 5 = 6 people per part.
- Females = 2 × 6 = 12; males = 18.

Question 29. A book is bought for Rs 30 and sold for Rs 40. What is the profit percentage?

Answer: 33⅓%.

Related Facts

- Profit = Rs 40 − Rs 30 = Rs 10.
- Profit percentage = (profit ÷ cost price) × 100 = (10/30) × 100.

Question 30. Who is Pakistan's Federal Minister for Railways?

Answer: Muhammad Hanif Abbasi (as listed by the Ministry of Railways on 14 October 2026).

Related Facts

- Current office-holders can change; recheck the ministry website before an exam.
- The ministry also lists Bilal Azhar Kayani as State Minister for Railways.

Question 31. Who is the Governor of Sindh?

Answer: Syed Muhammad Nehal Hashmi (as displayed by the Governor of Sindh website on 14 October 2026).

Related Facts

- This is a date-sensitive current-affairs question.
- The Governor is the constitutional head of the province; the Chief Minister leads the provincial government.

Question 32. What is the lowest point on Earth?

Answer: The Challenger Deep is the deepest known point in the ocean; the shore of the Dead Sea is the lowest exposed land on Earth.

Related Facts

- Challenger Deep lies in the Mariana Trench in the western Pacific Ocean.
- For “lowest land elevation”, the Dead Sea shore is the expected answer; for “deepest point”, use Challenger Deep.

Question 33. Who is known by the title “Jami-ul-Quran”?

Answer: Caliph Uthman ibn Affan (RA) is commonly associated with this title because of the standardization and distribution of Quranic codices.

Related Facts

- Abu Bakr (RA) ordered an early collection of Quranic material after the Battle of Yamama.
- Uthman (RA) arranged standardized copies to reduce recitation disputes.

Question 34. Which is Pakistan's largest district by area?

Answer: Chagai District, Balochistan, is commonly listed as the largest by area.

Related Facts

- Chagai lies in western Balochistan near the borders with Iran and Afghanistan.
- District boundaries or rankings can change after administrative reorganizations.

Question 35. Who wrote “The Loyal Muhammadans of India”?

Answer: Sir Syed Ahmad Khan.

Related Facts

- Sir Syed wrote it after the 1857 uprising to document Muslims who remained loyal to the British.
- He founded the Muhammadan Anglo-Oriental College at Aligarh in 1875.

Question 36. When was the China-Pakistan boundary agreement signed?

Answer: 2 March 1963.

Related Facts

- The agreement delimited the boundary in the northern area between China and Pakistan.
- The Karakoram Highway later improved road connectivity between the two countries.

Question 37. Where did Pakistan conduct its first nuclear tests?

Answer: At Ras Koh Hills in Chagai District, Balochistan, on 28 May 1998; further tests followed at Kharan on 30 May.

Related Facts

- The tests of 28 May are commemorated as Youm-e-Takbeer.

- Pakistan conducted its tests after India tested nuclear devices in May 1998.

Question 38. A question claims Pakistan has a 1,200-mile border with which country. Is that accurate?

Answer: The claim is inaccurate for Afghanistan: the Pakistan-Afghanistan border is generally estimated at about 2,640 km (1,640 miles), though sources vary.

Related Facts

- The border is called the Durand Line.
- Do not memorize “1,200 miles” as the accepted length of the Pakistan-Afghanistan border.

Question 39. Basel is a city in which country?

Answer: Switzerland.

Related Facts

- Basel lies on the Rhine River near the French and German borders.
- It is an important centre for the pharmaceutical and chemical industries.

Question 40. What is the smallest continent?

Answer: Australia, in the traditional seven-continent model.

Related Facts

- Oceania is a wider geographic region that includes Australia, New Zealand and Pacific islands.
- The answer can differ if a course treats “Oceania” as the continental region.

Question 41. What is Pakistan's highest civil award?

Answer: Nishan-e-Pakistan.

Related Facts

- It is Pakistan's highest civilian award.
- It may be conferred on Pakistani citizens and foreign nationals for distinguished service.

Question 42. Who was Pakistan's first woman Governor-General?

Answer: Pakistan has never had a woman Governor-General. Begum Ra'ana Liaquat Ali Khan was Pakistan's first woman governor; she served as Governor of Sindh from 1973 to 1976.

Related Facts

- Muhammad Ali Jinnah was Pakistan's first Governor-General.

- Governor-General was a federal office abolished when Pakistan became a republic in 1956.

Question 43. Who was Pakistan's second Prime Minister?

Answer: Khawaja Nazimuddin.

Related Facts

- He served from 1951 to 1953 after Liaquat Ali Khan's assassination.
- Nazimuddin had earlier been Governor-General of Pakistan.

Question 44. What is an empty set?

Answer: A set with no elements; it is a finite set with cardinality zero.

Related Facts

- It is represented by ∅ or {}.
- The empty set is a subset of every set.

Question 45. When did the Chauri Chaura incident occur?

Answer: 4 February 1922 (some exam keys give 5 February; the commonly recorded date is 4 February).

Related Facts

- The incident occurred in the Gorakhpur district of the United Provinces, British India.

- Mahatma Gandhi suspended the Non-Cooperation Movement after the violence.

Question 46. What is the longest river in Asia?

Answer: The Yangtze River in China.

Related Facts

- It is about 6,300 km long, depending on measurement.
- The Yangtze flows into the East China Sea near Shanghai.

Question 47. What does “Al-Saffah” mean?

Answer: It is commonly translated as “the blood-shedder” or “one who sheds blood”; “top of a mountain” is not the standard historical meaning in this context.

Related Facts

- Abu al-Abbas al-Saffah was the first Abbasid caliph.
- The Abbasid Caliphate overthrew the Umayyads in 750 CE.

Question 48. What is the nisab of gold for zakat?

Answer: A commonly used Hanafi measure is 7.5 tola, approximately 87.48 grams of gold; published conversions may vary slightly.

Related Facts

- Zakat on qualifying wealth is commonly 2.5% after one lunar year, subject to the relevant conditions.
- Gold purity, local religious guidance and calculation conventions should be checked for personal zakat.

Question 49. On what date did the 1857 uprising begin at Meerut?

Answer: 10 May 1857.

Related Facts

- The uprising at Meerut spread toward Delhi.
- It is called the Indian Rebellion of 1857, the Revolt of 1857 or the First War of Independence in different traditions.

Question 50. What was Hazrat Hamza's relationship to Prophet Muhammad (PBUH)?

Answer: He was the Prophet's paternal uncle and a companion; Islamic tradition also identifies them as foster brothers.

Related Facts

- Hamza (RA) was martyred at the Battle of Uhud in 3 AH.
- He is known by the honorific “Asadullah” (Lion of Allah) in Muslim tradition.

Question 51. Which words can be synonyms of “prescribe”?

Answer: Order, direct or specify; in medicine, it can mean to authorize a treatment or medicine.

Related Facts

- “Prescribe” and “proscribe” have opposite meanings: prescribe means recommend/order; proscribe means forbid.
- Choose the synonym that best fits the sentence.

Question 52. What is the cube root of −2?

Answer: $-\sqrt[3]{2} \approx -1.2599$; −1.25 is only a rough, inaccurate approximation.

Related Facts

- The cube root of a negative real number is negative.
- Since 1.26^3 is approximately 2, $\sqrt[3]{2}$ is about 1.26.

Question 53. When was the Quit India Movement launched?

Answer: 8 August 1942 (the mass movement began on 9 August after the leaders were arrested).

Related Facts

- The All-India Congress Committee adopted the Quit India resolution in Bombay.
- Mahatma Gandhi gave the “Do or Die” call.

Question 54. Who is known by the title “Kaleemullah”?

Answer: Prophet Musa (Moses), peace be upon him.

Related Facts

- The title refers to his speaking with Allah, as described in Islamic tradition.
- Other traditional titles include Khalilullah for Prophet Ibrahim and Ruhullah for Prophet Isa.

Question 55. Who is the Speaker of Pakistan's National Assembly?

Answer: Sardar Ayaz Sadiq (as listed by the National Assembly on 14 October 2026).

Related Facts

- He was elected Speaker on 1 March 2024.
- Asad Qaiser was a former Speaker, serving from 2018 to 2022.

Question 56. What is 90% of 90?

Answer: 81.

Related Facts

- 10% of 90 is 9; 90% is 9 × 9 = 81.
- Percentage means “per hundred”.

Question 57. What are some historical names used for India?

Answer: Names include Bharat/Bharatavarsha, Hindustan and India, depending on language and historical context; there is no single answer that fits every period.

Related Facts

- “Bharat” is used in India's constitutional text alongside “India”.
- “Hindustan” has been used historically in Persianate and South Asian contexts.

Question 59. “Israel” is a traditional title/name associated with which prophet?

Answer: Prophet Yaqub (Jacob), peace be upon him, is traditionally identified as Israel.

Related Facts

- Bani Israel means the Children of Israel.
- The biblical/Quranic name traditions have some differences in formulation.

Question 60. Which region lies between Pakistan and Tajikistan?

Answer: The Wakhan Corridor of Afghanistan lies between Pakistan and Tajikistan; Pakistan and Tajikistan do not share a direct border.

Related Facts

- The corridor is part of Afghanistan's Badakhshan Province.
- It separates Pakistan's northern areas from Tajikistan.

Question 61. What are Laat and Uzza?

Answer: Pre-Islamic Arabian deities/idols, commonly spelled al-Lat and al-Uzza.

Related Facts

- They are mentioned in Surah An-Najm (53:19–20).
- The third deity named in those verses is Manat.

Question 62. Who was Pakistan's first Foreign Minister?

Answer: Sir Muhammad Zafrullah Khan.

Related Facts

- He was Pakistan's first foreign minister after independence.
- He later served as President of the UN General Assembly and a judge of the International Court of Justice.

Question 63. Who advocated separating Sindh from the Bombay Presidency?

Answer: Sindhi Muslim leaders and the All-India Muslim League supported separation; Jinnah included separation of Sindh from Bombay among his constitutional demands in the Fourteen Points (1929).

Related Facts

- Sindh became a separate province in 1936.
- The issue was raised before the 1935 Government of India Act came into operation.

Question 64. Who won the 2018 FIFA World Cup?

Answer: France.

Related Facts

- France defeated Croatia 4–2 in the final on 15 July 2018.
- The tournament was hosted by Russia.

Question 65. Who was President when Pakistan's 1956 Constitution came into force?

Answer: Iskander Mirza.

Related Facts

- Pakistan became a republic on 23 March 1956.
- The 1956 Constitution established a parliamentary system and was abrogated in 1958.

Question 66. When did Muhammad Ali Jinnah leave the Indian National Congress?

Answer: He broke with Congress in 1920, around the Nagpur session in December.

Related Facts

- Jinnah opposed Gandhi's mass non-cooperation approach.
- He had joined the All-India Muslim League in 1913.

Question 67. When was the Conquest of Makkah?

Answer: 8 AH (630 CE).

Related Facts

- It took place in Ramadan.
- The conquest followed the breakdown of the Treaty of Hudaybiyyah.

Question 68. Between whom was Mawakhat-e-Madinah established?

Answer: Between the Muhajirun (migrants from Makkah) and the Ansar (helpers of Madinah).

Related Facts

- The arrangement helped migrants establish social and economic support in Madinah.
- Muhajirun means “those who migrated”; Ansar means “helpers”.

Question 69. Who is known by the title “Asadullah”?

Answer: Hazrat Ali ibn Abi Talib (RA) is commonly associated with this title.

Related Facts

- “Asadullah” means “Lion of Allah”.
- Hazrat Hamza (RA) is also called the Lion of Allah in traditional accounts.

Question 70. When was Quaid-e-Azam Muhammad Ali Jinnah born?

Answer: 25 December 1876.

Related Facts

- He was born in Karachi.
- He died on 11 September 1948 and served as Pakistan's first Governor-General.

Question 71. When was the Nehru Report published?

Answer: 30 August 1928.

Related Facts

- It was prepared under Motilal Nehru to propose constitutional reforms for British India.
- Jinnah later presented his Fourteen Points in 1929 in response to the constitutional debate.

Question 72. Which continent has historically been called the “Dark Continent”?

Answer: Africa (a dated historical label, not a scientific description).

Related Facts

- The phrase arose in European colonial-era writing and is now considered outdated.
- Africa is the world's second-largest continent by area and population.

Question 73. Is the Red Sea also known as the Gulf of Arabia?

Answer: No. “Gulf of Arabia” is not a standard modern synonym for the Red Sea; a historic name is the Erythraean Sea.

Related Facts

- The Red Sea lies between northeast Africa and the Arabian Peninsula.
- It connects with the Gulf of Aden through the Bab-el-Mandeb Strait.

Question 74. What is the capital of Kyrgyzstan?

Answer: Bishkek.

Related Facts

- Kyrgyzstan is a landlocked country in Central Asia.
- Its currency is the som.

Question 75. Who partitioned Bengal in 1905?

Answer: Lord Curzon; the partition took effect in 1905, not 1913.

Related Facts

- The partition was annulled in 1911.
- The 1905 partition helped stimulate the Swadeshi Movement.

Question 76. What is the length of Pakistan's coastline?

Answer: About 1,046 km, according to Pakistan's Board of Investment.

Related Facts

- Pakistan's coast lies along the Arabian Sea.
- Major coastal areas include Karachi, the Makran coast and Gwadar.

Question 77. What does “Badr” refer to, and what does the word mean?

Answer: Badr is a settlement in present-day Saudi Arabia and the site of the Battle of Badr; the Arabic word is commonly glossed as “full moon”.

Related Facts

- The battle took place in 2 AH (624 CE).
- Badr lies southwest of Madinah.

Question 78. Which country is the largest producer of carpets?

Answer: This depends on whether the question means handmade carpets, machine-made carpets or value. Iran is famous for Persian handmade carpets, but “largest producer” is not a reliable single answer without a measure.

Related Facts

- India and China are also major carpet producers and exporters.
- For an exam, verify whether the syllabus specifically asks about handmade Persian carpets.

Question 79. What is sin 90°?

Answer: 1.

Related Facts

- On the unit circle, the sine of 90° is the y-coordinate at the top of the circle.
- In radians, 90° = π/2.

Question 80. In which year did Abdus Salam receive the Nobel Prize?

Answer: 1979, in Physics.

Related Facts

- He shared the prize with Sheldon Glashow and Steven Weinberg.
- He was the first Pakistani Nobel laureate.

Question 81. What is the capital of Sri Lanka?

Answer: Sri Jayawardenepura Kotte is the legislative capital; Colombo is the largest city and major commercial centre.

Related Facts

- Sri Lanka is an island country in the Indian Ocean.
- Many quiz keys give Colombo, but the question should distinguish the legislative capital from the commercial centre.

Question 82. What is the name of the Pakistan-Afghanistan border?

Answer: The Durand Line.

Related Facts

- It was agreed in 1893.
- The boundary remains politically contentious in Afghanistan-Pakistan relations.

Question 83. Who is commonly credited with providing an intellectual vision for a separate Muslim-majority state in South Asia?

Answer: Allama Muhammad Iqbal is commonly credited with articulating an important vision in his Allahabad Address (1930); Chaudhry Rahmat Ali coined the name “Pakistan” in 1933.

Related Facts

- Iqbal delivered the Allahabad Address in December 1930.
- Rahmat Ali published the “Now or Never” pamphlet in 1933.

Question 84. What was Allama Iqbal's first Persian philosophical book?

Answer: Asrar-e-Khudi, published in 1915.

Related Facts

- The title is translated as “The Secrets of the Self”.
- Bang-e-Dara, published in 1924, was his first major Urdu poetry collection.

Question 85. When did Abu Bakr (RA) lead the Hajj, and when was Hajj made obligatory?

Answer: Abu Bakr (RA) led the pilgrimage in 9 AH; many Islamic histories place the obligation of Hajj in 9 AH as well.

Related Facts

- Prophet Muhammad (PBUH) performed his Farewell Pilgrimage in 10 AH.
- Some references distinguish the date Hajj became obligatory from the first pilgrimage led by Abu Bakr.

Question 86. What was the name of Hazrat Uthman ibn Affan's father?

Answer: Affan ibn Abi al-As.

Related Facts

- Hazrat Uthman (RA) was the third Rightly Guided Caliph.
- He married two daughters of Prophet Muhammad (PBUH) at different times, earning the honorific Dhun-Nurayn in Islamic tradition.

Question 87. Which city is often described as one of Pakistan's oldest continuously inhabited cities?

Answer: Multan is often described this way, but the claim to be the single oldest depends on the definition and evidence used.

Related Facts

- Multan is known as the “City of Saints” because of its many Sufi shrines.
- The Indus Valley Civilization sites, such as Mohenjo-daro, are much older archaeological settlements but were not continuously inhabited cities in the modern sense.

Question 88. What is the currency of Türkiye (Turkey)?

Answer: The Turkish lira.

Related Facts

- Its currency code is TRY.
- Ankara is Türkiye's capital; Istanbul is its largest city.

Question 89. Which country is called the “Land of White Elephants”?

Answer: Thailand.

Related Facts

- The white elephant is culturally and historically associated with Thai royalty.

- Thailand's capital is Bangkok.

Question 90. Who was the first Caliph of Islam?

Answer: Hazrat Abu Bakr al-Siddiq (RA).

Related Facts

- He led the Muslim community from 632 to 634 CE.
- He was succeeded by Hazrat Umar ibn al-Khattab (RA).

Question 91. Who was the first Pakistani to travel to space?

Answer: Namira Salim became the first Pakistani to travel to space as a private space traveller on Virgin Galactic in 2023, not 2009.

Related Facts

- She flew on Virgin Galactic's Galactic 04 suborbital mission in October 2023.
- Pakistan has not yet operated a government astronaut on an orbital space mission.

Question 92. Who was the first Governor-General of Pakistan?

Answer: Muhammad Ali Jinnah (Quaid-e-Azam).

Related Facts

- He served from 14 August 1947 until his death on 11 September 1948.

- “Governor-General” is different from a provincial governor.

Question 93. What was the first major war between Pakistan and India over Kashmir?

Answer: The Indo-Pakistani War of 1947–1948.

Related Facts

- It began soon after the 1947 partition of British India.
- A UN-arranged ceasefire took effect on 1 January 1949.

Question 94. When was the Tashkent Declaration signed?

Answer: 10 January 1966.

Related Facts

- It was signed by Indian Prime Minister Lal Bahadur Shastri and Pakistani President Ayub Khan.
- It followed the 1965 Indo-Pakistani War.

Question 95. When was the Badshahi Mosque built?

Answer: It was commissioned by Aurangzeb and completed in 1673.

Related Facts

- It is located in Lahore, opposite Lahore Fort.

- It was one of the world's largest mosques at the time of its construction.

Question 96. What is commonly listed as Pakistan's longest national highway?

Answer: N-5 (National Highway 5).

Related Facts

- It runs from Karachi through major cities toward Torkham.
- The Karakoram Highway is internationally known for its high-altitude route, but it is not Pakistan's longest national highway.

Question 97. How many idols were reportedly kept in the Kaaba before the Conquest of Makkah?

Answer: Traditional Islamic accounts give 360 idols.

Related Facts

- The idols were removed after the Conquest of Makkah in 8 AH.
- The Kaaba is in Masjid al-Haram in Makkah.

Question 98. Which glacier is often listed as Pakistan's second-longest glacier after Siachen?

Answer: Baltoro Glacier is often listed as the second-longest in Pakistan, though rankings depend on what is being measured.

Related Facts

- Siachen Glacier is the longest glacier in the Karakoram region.
- Baltoro Glacier lies in the Central Karakoram and provides access to Concordia and K2 trekking routes.

Question 99. Who wrote the “Now or Never” pamphlet and when?

Answer: Chaudhry Rahmat Ali published “Now or Never” in 1933.

Related Facts

- The pamphlet advocated a separate Muslim homeland and used the name “Pakistan”.
- Rahmat Ali was a student in Cambridge at the time.

Question 100. When did Pakistan become a member of the United Nations?

Answer: 30 September 1947.

Related Facts

- The UN General Assembly admitted Pakistan by Resolution 108 (II).
- Pakistan became a UN member shortly after independence.

Question 101. When was Prophet Muhammad (PBUH) born?

Answer: Commonly dated to around 570 or 571 CE, in the Year of the Elephant.

Related Facts

- He was born in Makkah.
- The exact Gregorian year is an estimate because contemporaneous date records are not precise.

Question 102. Who is associated with the title “Atiq”?

Answer: Hazrat Abu Bakr (RA) is traditionally associated with the title “Atiq”.

Related Facts

- He is best known by the title Al-Siddiq.
- He was the first Caliph after Prophet Muhammad (PBUH).

Question 103. When was the First Battle of Panipat fought?

Answer: 21 April 1526.

Related Facts

- Babur defeated Ibrahim Lodi in the battle.
- The battle is conventionally associated with the establishment of Mughal rule in northern India.

- This is a date-sensitive office-holder question; check the Finance Division website close to the exam.
- He was appointed Federal Minister for Finance and Revenue in March 2024.

Question 204. Who is known by the title “Ruhullah”?

Answer: Prophet Isa (Jesus), peace be upon him, in Islamic tradition.

Related Facts

- The title means “Spirit of Allah” and is used as an honorific in Islamic tradition.
- Islamic belief distinguishes this honorific from any claim that Isa is divine.

Question 205. To which prophet was the Zabur revealed?

Answer: Prophet Dawud (David), peace be upon him.

Related Facts

- Zabur is commonly identified with the Psalms in comparative religious studies.
- Dawud is also known as a king and prophet in Islamic tradition.

Question 206. What is the approximate length of the Line of Control (LoC) in Kashmir?

Answer: About 740 km, according to a commonly cited estimate.

Related Facts

- The LoC separates areas administered by India and Pakistan in the former princely state of Jammu and Kashmir.
- It is not an internationally recognized final border settlement.

Question 207. On which river is Mangla Dam built?

Answer: The Jhelum River.

Related Facts

- Mangla Dam is near Mirpur in Azad Jammu and Kashmir.
- It was completed in 1967 and is used for water storage, irrigation and hydropower.

Question 208. Which province is known as Babul Islam?

Answer: Sindh.

Related Facts

- The phrase means “Gateway of Islam”.
- Muhammad bin Qasim conquered parts of Sindh in 711–712 CE.

Question 209. Bari Doab lies between which rivers?

Answer: The Ravi and Beas rivers.

Related Facts

- “Doab” means a tract of land between two rivers.
- Bari Doab is in the Punjab region of the Indus basin.

Question 210. Which Surahs are called Al-Mu'awwidhatayn?

Answer: Surah Al-Falaq (113) and Surah An-Nas (114).

Related Facts

- The two Surahs are recited for seeking Allah's protection.
- The spelling is commonly transliterated as Al-Mu'awwidhatayn.

Question 211. Which Surah was recited before Najashi by Ja'far ibn Abi Talib?

Answer: Surah Maryam.

Related Facts

- Ja'far recited passages about Maryam and Isa (peace be upon them) in the traditional account.
- This occurred during the early Muslim migration to Abyssinia.

Question 212. Which well-known body of water is famous for its very high salinity?

Answer: The Dead Sea, technically a hypersaline lake rather than a true sea.

Related Facts

- It lies between Jordan and the West Bank/Israel region.
- Some smaller hypersaline lakes can have higher salinity, so “most saline water on Earth” is not universally true.

Question 213. Which parties signed the Lucknow Pact?

Answer: The Indian National Congress and the All-India Muslim League in 1916.

Related Facts

- The pact supported constitutional reforms and separate electorates for Muslims.
- Jinnah played an important role in the negotiations.

Question 214. Which country has the world's longest written national constitution?

Answer: India is commonly credited with having the longest written constitution of any sovereign country.

Related Facts

- It was adopted on 26 November 1949 and came into effect on 26 January 1950.
- The Constitution of India has been amended many times.

Question 215. In which year did Shah Waliullah die?

Answer: 1762.

Related Facts

- He was a major Islamic scholar and reformer in South Asia.
- He translated the Quran into Persian; his son Shah Abdul Qadir later produced a major Urdu translation.

Question 216. In which mountain range is Siachen Glacier located?

Answer: The eastern Karakoram Range.

Related Facts

- Siachen lies in the eastern Karakoram in the broader Kashmir region.

- It is often described as the longest glacier outside the polar regions, depending on classification.

Question 217. A train travels at 120 miles per hour. How far does it travel in 12 minutes?

Answer: 24 miles, which is about 38.6 km.

Related Facts

- 12 minutes = 0.2 hour.
- Distance = speed × time = 120 × 0.2 = 24 miles.

Question 218. Which Surah is traditionally called the “Heart of the Quran”?

Answer: Surah Ya-Sin (Surah 36), in popular Islamic tradition; the authenticity/grading of the specific hadith wording is debated.

Related Facts

- It contains 83 verses in the common Hafs numbering.
- For strict hadith questions, distinguish popular titles from reports established as authentic.

Question 219. If yesterday was Monday, what day will it be the day after tomorrow?

Answer: Thursday.

Related Facts

- If yesterday was Monday, today is Tuesday.
- Tomorrow is Wednesday; the day after tomorrow is Thursday.

Question 220. A class has 500 students, of whom 360 are boys. What percentage are girls?

Answer: 28%.

Related Facts

- Girls = 500 − 360 = 140.
- Girls percentage = 140 ÷ 500 × 100 = 28%.

Question 221. A helicopter uses 50 gallons to travel 320 km. How much fuel is needed for 400 km at the same rate?

Answer: 62.5 gallons, assuming fuel use is proportional to distance.

Related Facts

- Fuel per kilometre = 50 ÷ 320 gallons.
- Required fuel = 50 × (400 ÷ 320) = 62.5 gallons.

Question 222. Amjad and Ahmed have 24 balloons in total. If Amjad has three times as many as Ahmed, how many does Amjad have?

Answer: 18 balloons, assuming Amjad:Ahmed = 3:1.

Related Facts

- Let Ahmed have x and Amjad 3x; then 4x = 24, so x = 6.
- Amjad has 3 × 6 = 18 balloons.

Question 223. A train travels at 120 km/h. How far does it travel in 18 minutes?

Answer: 36 km.

Related Facts

- 18 minutes = 0.3 hour.
- Distance = 120 × 0.3 = 36 km.
