PMA LONG COURSE | VERIFIED QUESTIONS 231–500

FONT SIZES: QUESTION 22 pt | ANSWER 20 pt | RELATED FACTS 18 pt

Coverage: Only the 270 questions provided in the uploaded images (Q231–Q500). Corrected answers, current-affairs notes and ambiguity flags are included. Administrative counts are dated to the official 2023 census baseline where stated.

Q231. Abdul Qadir was a well-known player of which sport?

ANSWER: Cricket (leg-spin bowling)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Abdul Qadir was a Pakistani leg-spin bowler known for reviving attacking leg-spin.
- He played international cricket for Pakistan mainly from the late 1970s through the 1990s.

Targeted reference search

Q232. What was the original name of Prophet Yaqub (AS)?

ANSWER: Israel (also rendered Isra'il)

RELATED FACTS / PMA ADDITIONAL ANGLES

- In Islamic tradition, Prophet Yaqub (AS) is also called Isra'il.
- Bani Isra'il means the Children of Israel and is a recurring term in the Qur'an.

Targeted reference search

Q233. Where will the next ICC Men's ODI Cricket World Cup be held?

ANSWER: South Africa, Zimbabwe and Namibia (2027)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The ICC Men's Cricket World Cup 2027 runs from 2 October to 21 November 2027.
- The 2027 event is jointly hosted by three African countries; the question must specify ODI/men's cricket because other World Cups have different hosts.

Primary / official reference

Q234. When did the English East India Company first arrive at Surat?

ANSWER: 1608 is commonly cited; 24 August is often given for the arrival of Captain William Hawkins's expedition in India

RELATED FACTS / PMA ADDITIONAL ANGLES

- The East India Company was chartered in 1600 by Queen Elizabeth I.
- Early company activity at Surat preceded the later establishment of British territorial rule.

Targeted reference search

Q235. Jinnah's Fourteen Points were presented in response to which report?

ANSWER: The Nehru Report (1928); Jinnah announced his Fourteen Points in 1929

RELATED FACTS / PMA ADDITIONAL ANGLES

- The points defended Muslim political safeguards and federal arrangements.
- The Nehru Report proposed a constitutional framework for British India and became a major point of disagreement.

Targeted reference search

Q236. Which word is intended by the dictionary-order question in the source?

ANSWER: The supplied key says “Academic”; the question wording is incomplete, so confirm against the original options

RELATED FACTS / PMA ADDITIONAL ANGLES

- Dictionary order compares letters from left to right.
- Without the full options, it is not possible to confirm that “Academic” is the first word in the intended list.

Targeted reference search

Q237. Who developed an early practical solar cell?

ANSWER: Charles Fritts (1883)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Fritts made an early selenium-based photovoltaic cell.
- Modern silicon solar cells were developed later, including the 1954 Bell Labs cell.

Targeted reference search

Q238. Who accompanied Prophet Muhammad (PBUH) during the Hijrah to Madinah?

ANSWER: Hazrat Abu Bakr (RA)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The migration took place in 622 CE and marks the beginning of the Hijri calendar era.
- The two stayed in the Cave of Thawr before continuing toward Madinah.

Targeted reference search

Q239. What is the capital of Venezuela?

ANSWER: Caracas

RELATED FACTS / PMA ADDITIONAL ANGLES

- Caracas is Venezuela's capital and largest urban centre.
- Venezuela is in northern South America and has a Caribbean coastline.

Targeted reference search

Q240. In which Hijri year was the Battle of Uhud fought?

ANSWER: 3 AH (625 CE)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Uhud was fought near Madinah.
- The Muslim force initially numbered about 1,000; around 300 withdrew before the battle, leaving about 700.

Targeted reference search

Q241. Who is the Supreme Commander of Pakistan's Armed Forces?

ANSWER: The President of Pakistan, Asif Ali Zardari (as of 14 October 2026)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Pakistan's Constitution assigns the President the role of Supreme Commander.
- The President's constitutional role is distinct from the operational command exercised by the military leadership.

Primary / official reference

Q242. Where is OPEC headquartered?

ANSWER: Vienna, Austria

RELATED FACTS / PMA ADDITIONAL ANGLES

- OPEC was founded in Baghdad in September 1960.
- OPEC's member countries coordinate petroleum policies; it is not the same organization as OPEC+.

Targeted reference search

Q243. What is another name for the Manila Pact?

ANSWER: Southeast Asia Collective Defense Treaty (the Manila Pact)

RELATED FACTS / PMA ADDITIONAL ANGLES

- It was signed in Manila on 8 September 1954.
- SEATO was the organization associated with the treaty and was dissolved in 1977.

Targeted reference search

Q244. In which Pakistani river is the Indus river dolphin found?

ANSWER: Indus River

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Indus river dolphin is a freshwater cetacean and is endangered.
- Its main range is in Pakistan's Indus River system, with a small related population in India's Beas River.

Targeted reference search

Q245. What does “Tanzil” mean?

ANSWER: Sending down / revelation

RELATED FACTS / PMA ADDITIONAL ANGLES

- In Qur'anic usage, Tanzil refers to revelation or sending down of divine scripture.
- “Wahy” is the broader Arabic term for divine revelation.

Targeted reference search

Q246. How many Nishan-e-Haider recipients are commonly listed?

ANSWER: 11 recipients (commonly counted)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Nishan-e-Haider is Pakistan's highest military gallantry award.
- Several awards relate to the 1947–48, 1965, 1971 and 1999 conflicts; spellings and lists should be checked against official sources.

Targeted reference search

ANSWER: Muhammad ibn Jarir al-Tabari

RELATED FACTS / PMA ADDITIONAL ANGLES

- Al-Tabari was a major Muslim historian and Qur'anic commentator of the 9th–10th centuries.
- The work is also known as Jami' al-Bayan.

Targeted reference search

Q248. What is the approximate length of the Indus River?

ANSWER: About 3,180 km (estimates vary)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Indus rises in the Tibetan Plateau and flows through Ladakh and Pakistan to the Arabian Sea.
- Pakistan's major barrages and irrigation networks depend heavily on the Indus system.

Targeted reference search

Q249. What is the approximate length of the Amazon River?

ANSWER: About 6,400 km; estimates vary by source and headwater definition

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Amazon has the world's largest river discharge by volume.
- Whether it is longer than the Nile depends on the measurement method and source chosen.

Targeted reference search

Q250. Who wrote the Urdu novel “Raja Gidh”?

ANSWER: Bano Qudsia

RELATED FACTS / PMA ADDITIONAL ANGLES

- “Raja Gidh” is a celebrated Urdu novel first published in 1981.
- Bano Qudsia was also known for her television and stage writing.

Targeted reference search

Q251. Where is Data Ganj Bakhsh's shrine located?

ANSWER: Lahore, Pakistan

RELATED FACTS / PMA ADDITIONAL ANGLES

- Data Ganj Bakhsh is the honorific of Ali Hujwiri, a Sufi scholar.
- His major work is “Kashf-ul-Mahjoob,” an early Persian Sufi text.

Targeted reference search

Q252. In which Hijri year was the Battle of Uhud fought?

ANSWER: 3 AH (625 CE)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The battle followed the Muslim victory at Badr in 2 AH.
- Hazrat Hamza (RA) was martyred at Uhud.

Targeted reference search

Q253. What is the capital of France?

ANSWER: Paris

RELATED FACTS / PMA ADDITIONAL ANGLES

- Paris is the capital and largest city of France.
- France is a member of the European Union and a permanent member of the UN Security Council.

Targeted reference search

Q254. In which year did Quaid-e-Azam present his Fourteen Points?

ANSWER: 1929

RELATED FACTS / PMA ADDITIONAL ANGLES

- Jinnah's Fourteen Points were a response to the Nehru Report of 1928.
- They demanded safeguards for Muslim representation and provincial autonomy.

Targeted reference search

Q255. When and where was the All-India Muslim League founded?

ANSWER: 30 December 1906, Dhaka

RELATED FACTS / PMA ADDITIONAL ANGLES

- The founding meeting took place during the annual session of the All-India Muhammadan Educational Conference.
- Nawab Salimullah, Viqar-ul-Mulk, and other Muslim leaders were central to its formation.

Targeted reference search

Q256. Who became the first permanent president of the All-India Muslim League?

ANSWER: Aga Khan III (elected permanent president in 1908)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Muslim League was founded in 1906; its early leadership included Nawab Viqar-ul-Mulk.
- Some sources simplify the first presidency to Aga Khan III, so “first permanent president” is the clearest wording.

Targeted reference search

Q257. On what date did Israel declare independence?

ANSWER: 14 May 1948

RELATED FACTS / PMA ADDITIONAL ANGLES

- The declaration was made in Tel Aviv before the British Mandate ended.
- The date is observed as Israel's Independence Day according to the Hebrew calendar.

Targeted reference search

Q258. Who is the President of France (as of October 2026)?

ANSWER: Emmanuel Macron

RELATED FACTS / PMA ADDITIONAL ANGLES

- Macron began his second presidential term in May 2022.
- The French president is elected for a five-year term.

Targeted reference search

Q259. What is the deepest known point in the ocean?

ANSWER: Challenger Deep, in the Mariana Trench (about 10.9 km deep)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Mariana Trench is in the western Pacific Ocean.
- Challenger Deep is deeper than Mount Everest is high above sea level.

Targeted reference search

Q260. Who is regarded as the founder of modern nursing?

ANSWER: Florence Nightingale

RELATED FACTS / PMA ADDITIONAL ANGLES

- Nightingale became prominent during the Crimean War.
- International Nurses Day is observed on 12 May, her birthday.

Targeted reference search

Q261. Which country holds the G20 presidency in 2026?

ANSWER: United States of America

RELATED FACTS / PMA ADDITIONAL ANGLES

- The United States assumed the 2026 G20 presidency on 1 December 2025.
- The 2026 G20 Leaders' Summit is scheduled for Miami, Florida; G20 presidency rotates annually.

Primary / official reference

Q262. Where is the headquarters of the Organisation of Islamic Cooperation (OIC)?

ANSWER: Jeddah, Saudi Arabia

RELATED FACTS / PMA ADDITIONAL ANGLES

- The OIC was founded in 1969 following the first Islamic Summit in Rabat, Morocco.
- It is an intergovernmental organization of member states from the Muslim world and beyond.

Targeted reference search

Q263. Was the OIC founded by one country or by several countries?

ANSWER: It was established collectively by participating states at the 1969 Rabat Islamic Summit; no single country founded it alone

RELATED FACTS / PMA ADDITIONAL ANGLES

- The first summit followed an arson attack on Al-Aqsa Mosque in Jerusalem.
- The organization's headquarters is in Jeddah, Saudi Arabia.

Targeted reference search

Q264. What is the currency of Cuba?

ANSWER: Cuban peso (CUP)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Cuba ended its dual-currency system in 2021.
- The Cuban peso is abbreviated CUP.

Targeted reference search

Q265. Which Pakistani city is often cited as one of the hottest?

ANSWER: Jacobabad, Sindh (often cited; “hottest city” depends on period and metric)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Jacobabad has recorded extreme summer temperatures.
- A record high on a single day is different from the highest annual or average temperature.

Targeted reference search

Q266. What is the world's second-largest continent by area?

ANSWER: Africa

RELATED FACTS / PMA ADDITIONAL ANGLES

- Asia is the largest continent, followed by Africa.
- Africa is crossed by the Equator and both the Tropic of Cancer and Tropic of Capricorn.

Targeted reference search

Q267. When did Salah become obligatory for Muslims?

ANSWER: During the Mi'raj, before the Hijrah; often placed around the 10th/12th year of Prophethood in traditional chronologies

RELATED FACTS / PMA ADDITIONAL ANGLES

- The five daily prayers are obligatory in Islamic belief.
- Exact Gregorian/Hijri dating of the Mi'raj is not universally agreed.

Targeted reference search

Q268. What is commonly cited as Pakistan's largest artificial lake/reservoir?

ANSWER: Keenjhar Lake (Kalri Lake), Thatta District, Sindh

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Sindh Irrigation Department describes Keenjhar as an artificially created reservoir formed by embankments using natural depressions.
- It is a major water source for Karachi; Manchar Lake is commonly described as Pakistan's largest natural freshwater lake.

Primary / official reference

Q269. What is the world's largest lake by surface area?

ANSWER: Caspian Sea

RELATED FACTS / PMA ADDITIONAL ANGLES

- Although named a sea, the Caspian is an enclosed inland body of water.
- Lake Baikal is the world's deepest lake and holds a large share of the world's unfrozen surface freshwater.

Targeted reference search

Q270. What is the height of Mount Everest?

ANSWER: 8,848.86 metres (about 8,849 m)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Nepal and China announced this jointly recognized height in 2020.
- Everest is the world's highest mountain above sea level.

Targeted reference search

Q271. Which pass connects Quetta with Sibi?

ANSWER: Bolan Pass

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Bolan Pass is a historic route through the Toba Kakar Range in Balochistan.
- It has long linked the Quetta region with the plains toward Sibi and beyond.

Targeted reference search

Q272. In which city is Nishtar Hospital located?

ANSWER: Multan, Punjab

RELATED FACTS / PMA ADDITIONAL ANGLES

- Nishtar Hospital is a major teaching hospital associated with Nishtar Medical University.
- Multan is often called the City of Saints.

Targeted reference search

Q273. Which corridor separates Pakistan from Tajikistan?

ANSWER: The Wakhan Corridor of Afghanistan; the original wording “separates Pakistan from the Middle East” is incorrect

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Wakhan Corridor is a narrow strip of northeastern Afghanistan.
- It separates Pakistan's northern border region from Tajikistan and reaches toward China.

Targeted reference search

Q274. Over approximately how many years was the Qur'an revealed?

ANSWER: About 23 years

RELATED FACTS / PMA ADDITIONAL ANGLES

- Revelation began in Makkah and continued until shortly before the Prophet's death.
- The first revealed verses are traditionally identified as Qur'an 96:1–5.

Targeted reference search

Q275. Which Companion was a son-in-law of Prophet Muhammad (PBUH)?

ANSWER: Hazrat Ali (RA), who married Fatimah (RA); Uthman (RA) was also a son-in-law

RELATED FACTS / PMA ADDITIONAL ANGLES

- Ali and Fatimah's children included Hasan and Husayn (RA).
- Uthman (RA) married two of the Prophet's daughters in succession, which earned him the title Dhun-Nurayn in Islamic tradition.

Targeted reference search

Q276. Which constitution of Pakistan introduced a presidential system in 1962?

ANSWER: The Constitution of 1962

RELATED FACTS / PMA ADDITIONAL ANGLES

- It was introduced under President Ayub Khan.
- It was replaced by the Constitution of 1973, which established a parliamentary federal system.

Targeted reference search

Q277. What is the currency of Libya?

ANSWER: Libyan dinar (LYD)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Libyan dinar replaced the Libyan pound in 1971.
- Tripoli is Libya's capital.

Targeted reference search

Q278. What is the world's deepest lake?

ANSWER: Lake Baikal, Russia

RELATED FACTS / PMA ADDITIONAL ANGLES

- Baikal reaches about 1,642 m at its deepest point.
- It is also one of the world's oldest lakes and contains exceptional freshwater biodiversity.

Targeted reference search

Q279. Where and when were the first Asian Games held?

ANSWER: New Delhi, India, in 1951

RELATED FACTS / PMA ADDITIONAL ANGLES

- The first Asian Games opened on 4 March 1951.
- The event is organized under the Olympic Council of Asia.

Targeted reference search

Q280. In which Pakistani province is the Cholistan Desert?

ANSWER: Punjab, mainly in Bahawalpur region

RELATED FACTS / PMA ADDITIONAL ANGLES

- Cholistan is locally also known as Rohi.
- It adjoins the Thar Desert region toward the southeast.

Targeted reference search

Q281. What is the largest city in Sindh by population?

ANSWER: Karachi

RELATED FACTS / PMA ADDITIONAL ANGLES

- Karachi is Pakistan's largest city and a major seaport and financial centre.
- It is the capital of Sindh province, while Hyderabad is another major Sindhi city.

Targeted reference search

Q282. When was the first Nobel Prize awarded?

ANSWER: 1901

RELATED FACTS / PMA ADDITIONAL ANGLES

- The first Nobel Prizes were awarded in Physics, Chemistry, Physiology or Medicine, Literature, and Peace.
- The Sveriges Riksbank Prize in Economic Sciences was added later, in 1969.

Targeted reference search

Q283. Which angel is called Ruh-ul-Qudus in the Qur'anic/Islamic tradition?

ANSWER: Angel Jibreel (Gabriel, AS)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Jibreel is traditionally identified as the angel who conveyed revelation to the prophets.
- “Ruh al-Amin” is another Qur'anic expression associated with the trustworthy spirit.

Targeted reference search

ANSWER: Husband and wife

RELATED FACTS / PMA ADDITIONAL ANGLES

- Their son Abdullah ibn al-Zubayr became a prominent early Muslim figure.
- Asma was the daughter of Abu Bakr (RA) and the sister of Aisha (RA).

Targeted reference search

Q285. What is one quarter of one tenth of 120?

ANSWER: 3

RELATED FACTS / PMA ADDITIONAL ANGLES

- One tenth of 120 is 12, and one quarter of 12 is 3.
- Read chained fractions from the inside: 120 ÷ 10 ÷ 4.

Targeted reference search

Q286. Who was the President of Cuba during the Cuban Missile Crisis of 1962?

ANSWER: Osvaldo Dorticós Torrado (formal President); Fidel Castro was Prime Minister and revolutionary leader

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Cuban Missile Crisis occurred in October 1962.
- The crisis involved the Soviet Union, Cuba and the United States.

Targeted reference search

Q287. Which battle is often listed as the second major battle after Badr?

ANSWER: Battle of Uhud (3 AH), in common simplified GK lists; sequencing varies with whether expeditions are counted

RELATED FACTS / PMA ADDITIONAL ANGLES

- Uhud took place near Madinah in 625 CE.
- For “second Ghazwa” the question must specify the textbook's counting convention because early expeditions are counted differently.

Targeted reference search

Q288. In which battle was Hazrat Hamza (RA) martyred?

ANSWER: Battle of Uhud

RELATED FACTS / PMA ADDITIONAL ANGLES

- Hamza (RA) was the Prophet's paternal uncle and foster-brother.
- Islamic historical accounts name Wahshi ibn Harb as the person who killed him at Uhud.

Targeted reference search

Q289. Where is the Kharan Desert located?

ANSWER: Balochistan, Pakistan, around Kharan/Chagai region

RELATED FACTS / PMA ADDITIONAL ANGLES

- Kharan is an arid region in western Balochistan.
- Do not confuse the Kharan Desert with the Thar or Cholistan deserts.

Targeted reference search

Q290. On which continent is Lake Victoria?

ANSWER: Africa

RELATED FACTS / PMA ADDITIONAL ANGLES

- Lake Victoria borders Tanzania, Uganda and Kenya.
- It is a major source region of the White Nile.

Targeted reference search

Q291. Which Caliph is most commonly associated with the title Amir-ul-Mu'minin?

ANSWER: Hazrat Umar ibn al-Khattab (RA), the second Caliph

RELATED FACTS / PMA ADDITIONAL ANGLES

- The title means “Commander of the Faithful.”
- Hazrat Hamza (RA) was the Prophet's uncle and a martyr of Uhud, not the standard answer to this title.

Targeted reference search

Q292. What are Canada's official national sports?

ANSWER: Lacrosse (summer) and ice hockey (winter)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Canada's National Sports of Canada Act recognizes both sports.
- Ice hockey alone is an incomplete answer if the question asks for Canada's official national sports plural.

Targeted reference search

Q293. In which city is the Shah Jahan Mosque located?

ANSWER: Thatta, Sindh

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Shah Jahan Mosque is known for its tile work and acoustics.
- The Badshahi Mosque, by contrast, is in Lahore.

Targeted reference search

Q294. What is the world's largest cold desert?

ANSWER: Antarctica

RELATED FACTS / PMA ADDITIONAL ANGLES

- A desert is classified mainly by low precipitation, not by heat.
- The Sahara is the world's largest hot desert.

Targeted reference search

Q295. Against whom was the Battle of Khaybar fought?

ANSWER: Against the Jewish tribes/strongholds of Khaybar in 7 AH (629 CE)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Khaybar was an oasis north of Madinah.
- The battle took place after the Treaty of Hudaybiyyah; historical descriptions should avoid treating all Jewish people as a single group.

Targeted reference search

Q296. Who wrote “Kashf-ul-Mahjoob”?

ANSWER: Ali ibn Usman al-Hujwiri (Data Ganj Bakhsh)

RELATED FACTS / PMA ADDITIONAL ANGLES

- It is one of the earliest major Persian works on Sufism.
- The author's shrine is in Lahore.

Targeted reference search

Q297. Which organization promotes peaceful nuclear technology and nuclear safeguards?

ANSWER: International Atomic Energy Agency (IAEA), established in 1957; nuclear-test monitoring is a separate CTBTO role

RELATED FACTS / PMA ADDITIONAL ANGLES

- IAEA headquarters is in Vienna, Austria.
- The CTBTO Preparatory Commission develops the international monitoring system for detecting nuclear test explosions; IAEA does not “protect the world from all nuclear explosions.”

Targeted reference search

Q298. When was New Delhi inaugurated as the capital of British India?

ANSWER: 13 February 1931; the decision to shift the capital from Calcutta was announced in 1911

RELATED FACTS / PMA ADDITIONAL ANGLES

- The new imperial capital was ceremonially inaugurated by Viceroy Lord Irwin.
- “Delhi to Kolkata” reverses the direction; the capital moved from Calcutta to Delhi/New Delhi.

Targeted reference search

Q299. Where is the Flint River located?

ANSWER: Georgia, United States

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Flint River flows south through Georgia and joins the Chattahoochee to form the Apalachicola River.
- It is unrelated to the Flint River in Michigan, so a state should be specified.

Targeted reference search

Q300. What is the capital of Venezuela?

ANSWER: Caracas

RELATED FACTS / PMA ADDITIONAL ANGLES

- Caracas is in northern Venezuela near the Caribbean coast.
- The country's official name is the Bolivarian Republic of Venezuela.

Targeted reference search

Q301. What is the currency of Cuba?

ANSWER: Cuban peso (CUP)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Cuba unified its currency system in 2021.
- Do not confuse the Cuban peso with the currencies of other Caribbean states.

Targeted reference search

Q302. Who was the first permanent president of the All-India Muslim League?

ANSWER: Aga Khan III (elected permanent president in 1908)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Muslim League was founded in Dhaka on 30 December 1906.
- The early movement sought political representation and safeguards for Muslims in British India.

Targeted reference search

Q303. When was the OIC established?

ANSWER: 1969

RELATED FACTS / PMA ADDITIONAL ANGLES

- The organization followed the first Islamic Summit in Rabat in September 1969.
- Its headquarters is in Jeddah, Saudi Arabia.

Primary / official reference

Q304. When did the United Nations officially come into existence?

ANSWER: 24 October 1945

RELATED FACTS / PMA ADDITIONAL ANGLES

- The UN Charter was signed on 26 June 1945 in San Francisco.
- 24 October is observed as United Nations Day.

Primary / official reference

Q305. What does Tanzil mean?

ANSWER: Sending down / revelation

RELATED FACTS / PMA ADDITIONAL ANGLES

- The word describes the sending down of divine revelation.
- “Nazil” means descended or revealed in Urdu usage.

Targeted reference search

Q306. “Where is the Amnesty Airport?”

ANSWER: Unclear wording; if “Heathrow Airport” was intended, it is in London, United Kingdom

RELATED FACTS / PMA ADDITIONAL ANGLES

- The uploaded question appears mistranscribed; “Amnesty Airport” is not a recognized airport name.
- Please use the exact original source before memorizing this item.

Targeted reference search

Q307. Which countries are separated by the 38th parallel in Korea?

ANSWER: North Korea and South Korea

RELATED FACTS / PMA ADDITIONAL ANGLES

- The 38th parallel was used as a division line after World War II.
- The Korean Demilitarized Zone was later established around the armistice line in 1953 and does not follow the parallel exactly everywhere.

Targeted reference search

Q308. Who was the leader of the Quraysh opponents at the Battle of Badr commonly named in GK questions?

ANSWER: Abu Jahl (Amr ibn Hisham)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Battle of Badr took place in 2 AH / 624 CE.
- Abu Jahl was killed during the battle according to Islamic historical accounts.

Targeted reference search

Q309. Which country provided major assistance in building Warsak Dam?

ANSWER: Canada

RELATED FACTS / PMA ADDITIONAL ANGLES

- Warsak Dam is on the Kabul River near Peshawar.
- It was commissioned/inaugurated in 1960 and has served irrigation and hydropower purposes.

Primary / official reference

Q310. Which Chinese autonomous region borders Pakistan?

ANSWER: Xinjiang Uyghur Autonomous Region

RELATED FACTS / PMA ADDITIONAL ANGLES

- Pakistan and China connect through the Khunjerab Pass.
- Xinjiang borders several Central Asian states as well as Pakistan, India and Afghanistan.

Targeted reference search

Q311. Which pass connects Pakistan with China?

ANSWER: Khunjerab Pass

RELATED FACTS / PMA ADDITIONAL ANGLES

- Khunjerab lies on the Karakoram Highway at roughly 4,693 m elevation.
- It links Gilgit-Baltistan in Pakistan with Xinjiang in China.

Targeted reference search

Q312. Which city is popularly called the “City of Flowers” in Pakistan?

ANSWER: Peshawar (popular nickname)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Peshawar is the capital of Khyber Pakhtunkhwa.
- It is also a historic city on routes connecting South Asia with Central Asia.

Targeted reference search

Q313. Where is the Shahi Qila (Lahore Fort) located?

ANSWER: Lahore, Pakistan

RELATED FACTS / PMA ADDITIONAL ANGLES

- Lahore Fort is part of the Lahore Fort and Shalamar Gardens UNESCO World Heritage property.
- The fort's present Mughal form is strongly associated with Akbar and later Mughal emperors.

Targeted reference search

Q314. In which city is the National College of Arts (NCA) located?

ANSWER: Lahore (main campus)

RELATED FACTS / PMA ADDITIONAL ANGLES

- NCA is one of Pakistan's oldest art and design institutions.
- It also has a campus in Rawalpindi.

Targeted reference search

Q315. The Darling River is located in which country?

ANSWER: Australia

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Darling is part of the Murray–Darling river system.
- The Murray and Darling are important rivers in southeastern Australia.

Targeted reference search

Q316. Who was Pakistan's first Commander-in-Chief of the Army?

ANSWER: General Sir Frank Walter Messervy

RELATED FACTS / PMA ADDITIONAL ANGLES

- Messervy served from August 1947 to February 1948.
- He was succeeded by General Douglas Gracey before Ayub Khan became the first Pakistani Commander-in-Chief in 1951.

Primary / official reference

Q317. What is the fifth pillar of Islam?

ANSWER: Hajj (pilgrimage), for those able to perform it

RELATED FACTS / PMA ADDITIONAL ANGLES

- The five pillars are Shahadah, Salah, Zakat, Sawm and Hajj.
- Hajj is performed in the Islamic month of Dhul-Hijjah.

Targeted reference search

Q318. How many obligatory acts of Hajj are listed in common Hanafi teaching?

ANSWER: Three, in the common Hanafi classification; counts differ by school

RELATED FACTS / PMA ADDITIONAL ANGLES

- Hanafi lists typically name standing at Arafat, Tawaf al-Ziyarah and the required amount of shaving/cutting hair as obligations (wajibat are a different category).
- Always follow the specific fiqh syllabus because “obligations” can mean different categories.

Targeted reference search

Targeted reference search

Q325. Hazrat Aisha (RA) was the daughter of which Companion?

ANSWER: Hazrat Abu Bakr al-Siddiq (RA)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Aisha (RA) was one of the wives of Prophet Muhammad (PBUH).
- Abu Bakr (RA) became the first Caliph after the Prophet's death.

Targeted reference search

Q326. Where is Masjid-e-Nabawi located?

ANSWER: Madinah, Saudi Arabia

RELATED FACTS / PMA ADDITIONAL ANGLES

- The mosque was established by Prophet Muhammad (PBUH) after the Hijrah.
- It contains the area of the Prophet's chamber and is one of Islam's holiest mosques.

Targeted reference search

Q327. What is another name associated with Bait-ul-Maqdis in Jerusalem?

ANSWER: Al-Aqsa Mosque / the sacred sanctuary in Jerusalem; wording should distinguish the mosque from the wider site

RELATED FACTS / PMA ADDITIONAL ANGLES

- Masjid al-Aqsa is in the Old City of Jerusalem.
- “Bayt al-Maqdis” can refer to the wider sacred place/Jerusalem, not only a single building.

Targeted reference search

Q328. In which province is the Thal Desert?

ANSWER: Punjab, Pakistan

RELATED FACTS / PMA ADDITIONAL ANGLES

- Thal lies between the Indus and Jhelum rivers.
- It includes areas of Bhakkar, Khushab, Layyah, Mianwali and nearby districts.

Targeted reference search

Q329. Near which city is the Cholistan Desert commonly associated?

ANSWER: Bahawalpur, Punjab

RELATED FACTS / PMA ADDITIONAL ANGLES

- Cholistan is also called Rohi.
- The Derawar Fort is a well-known landmark in the Cholistan region.

Targeted reference search

Q330. Which is Pakistan's largest district by area in commonly cited administrative listings?

ANSWER: Chagai District, Balochistan (confirm current boundaries with the latest official list)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Chagai is in western Balochistan near the borders with Iran and Afghanistan.
- District rankings can change when administrative boundaries are revised.

Targeted reference search

Q331. In which river are Pakistan's blind dolphins found?

ANSWER: Indus River

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Indus river dolphin is a freshwater species with very limited vision.
- It uses echolocation to navigate turbid river water.

Targeted reference search

Q332. Who elects the Prime Minister of Pakistan?

ANSWER: The National Assembly, from among its members

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Prime Minister must command the support of a majority in the National Assembly.
- The President is elected by an electoral college that includes Parliament and provincial assemblies.

Targeted reference search

Q333. Which Indian Prime Minister visited Pakistan in February 1999?

ANSWER: Atal Bihari Vajpayee

RELATED FACTS / PMA ADDITIONAL ANGLES

- The visit was associated with the Lahore Declaration.
- The bus journey and talks occurred shortly before the Kargil conflict of 1999.

Targeted reference search

Q334. What is the highest military award of Switzerland?

ANSWER: The question is misleading: Switzerland has no conventional national honours/order system; armed-forces service awards do exist

RELATED FACTS / PMA ADDITIONAL ANGLES

- Swiss tradition restricts national orders and titles, though the military has service and mission awards.
- It is not accurate to name a single Swiss equivalent of Pakistan's Nishan-e-Haider without defining the category.

Targeted reference search

Q335. What is the full form of ISPR?

ANSWER: Inter-Services Public Relations

RELATED FACTS / PMA ADDITIONAL ANGLES

- ISPR is the media and public-relations wing of Pakistan's armed forces.
- Its role includes communicating official military information and statements.

Targeted reference search

Q336. What is 2 + 2 ÷ 2?

ANSWER: 3

RELATED FACTS / PMA ADDITIONAL ANGLES

- Division is performed before addition under standard order of operations.
- Calculate 2 ÷ 2 = 1, then add 2.

Targeted reference search

Q337. What is one quarter of one tenth of 120?

ANSWER: 3

RELATED FACTS / PMA ADDITIONAL ANGLES

- One tenth of 120 equals 12; one quarter of 12 equals 3.
- This is a two-step fraction question.

Targeted reference search

Q338. Manama is the capital of which country?

ANSWER: Bahrain

RELATED FACTS / PMA ADDITIONAL ANGLES

- Manama is Bahrain's capital and largest city.
- Bahrain is an island country in the Persian Gulf.

Targeted reference search

Q339. What is the currency of Egypt?

ANSWER: Egyptian pound (EGP)

RELATED FACTS / PMA ADDITIONAL ANGLES

Targeted reference search

Q379. When was the Partition of Bengal announced/implemented?

ANSWER: 1905

RELATED FACTS / PMA ADDITIONAL ANGLES

- The partition was announced under Viceroy Lord Curzon and took effect in October 1905.
- It was annulled in 1911 amid strong political opposition.

Targeted reference search

Q380. When did the Simla Deputation take place?

ANSWER: 1906

RELATED FACTS / PMA ADDITIONAL ANGLES

- Muslim leaders met Viceroy Lord Minto at Simla on 1 October 1906.
- The deputation sought separate electorates and political safeguards for Muslims.

Targeted reference search

Q381. When was the All-India Muslim League founded in Dhaka?

ANSWER: 30 December 1906

RELATED FACTS / PMA ADDITIONAL ANGLES

- The organization later became central to the Pakistan Movement.
- Its founding occurred during the annual meeting of the Muhammadan Educational Conference.

Targeted reference search

Q382. When were the Morley–Minto reforms enacted?

ANSWER: 1909

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Indian Councils Act 1909 is known as the Morley–Minto reforms.
- It introduced separate electorates for Muslims.

Targeted reference search

Q383. When was the Partition of Bengal annulled?

ANSWER: 1911 (announced at the Delhi Durbar on 12 December)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The province's partition had begun in 1905.
- The capital of British India was also announced to be shifted from Calcutta to Delhi in 1911.

Targeted reference search

Q384. When did Quaid-e-Azam join the All-India Muslim League?

ANSWER: 1913

RELATED FACTS / PMA ADDITIONAL ANGLES

- He had joined the Indian National Congress in 1906.
- Jinnah's political career initially emphasized constitutional reform and Hindu-Muslim cooperation.

Targeted reference search

Q385. When was the Lucknow Pact signed?

ANSWER: 1916

RELATED FACTS / PMA ADDITIONAL ANGLES

- The agreement was between the Indian National Congress and the All-India Muslim League.
- It recognized separate electorates and an agreed scheme of political representation.

Targeted reference search

Q386. When did the Jallianwala Bagh massacre occur?

ANSWER: 13 April 1919

RELATED FACTS / PMA ADDITIONAL ANGLES

- It occurred in Amritsar, Punjab, during British rule.
- Brigadier-General Reginald Dyer ordered troops to fire on a gathering.

Targeted reference search

Q387. When did the Khilafat Movement take place?

ANSWER: Approximately 1919–1924

RELATED FACTS / PMA ADDITIONAL ANGLES

- The movement sought to preserve the Ottoman Caliphate after World War I.
- It overlapped with Gandhi's Non-Cooperation Movement in India.

Targeted reference search

Q388. When was the Nehru Report published?

ANSWER: 1928

RELATED FACTS / PMA ADDITIONAL ANGLES

- It was chaired by Motilal Nehru.
- Jinnah's Fourteen Points in 1929 responded to major provisions of the report.

Targeted reference search

Q389. When were Quaid-e-Azam's Fourteen Points presented?

ANSWER: 1929

RELATED FACTS / PMA ADDITIONAL ANGLES

- They set out demands for constitutional safeguards for Muslims.
- The points included federalism, provincial autonomy and representation.

Targeted reference search

Q390. When did Allama Iqbal deliver the Allahabad Address?

ANSWER: 1930

RELATED FACTS / PMA ADDITIONAL ANGLES

- The address was delivered at the Muslim League session on 29 December 1930.
- It is often associated with the idea of a consolidated Muslim-majority region in northwestern India.

Targeted reference search

Q391. When were the Round Table Conferences held in London?

ANSWER: 1930–1932

RELATED FACTS / PMA ADDITIONAL ANGLES

- There were three conferences.
- They discussed constitutional reforms for British India; Congress attended the second conference but not the first or third as a delegation.

Targeted reference search

Q392. When did Congress ministries govern provincial administrations before resigning?

ANSWER: 1937–1939

RELATED FACTS / PMA ADDITIONAL ANGLES

- Congress ministries formed after the 1937 provincial elections.
- They resigned in 1939 after the Viceroy declared India at war without consulting Indian leaders.

Targeted reference search

Q393. When was the Day of Deliverance observed by the Muslim League?

ANSWER: 22 December 1939

RELATED FACTS / PMA ADDITIONAL ANGLES

- It followed the resignation of Congress provincial ministries.
- Muhammad Ali Jinnah asked Muslims to observe the day after the resignations.

Targeted reference search

Q394. When was the Lahore Resolution passed?

ANSWER: 23 March 1940

RELATED FACTS / PMA ADDITIONAL ANGLES

- It was adopted at the Muslim League session in Lahore on 23 March.
- It called for independent states in Muslim-majority zones; it later became popularly known as the Pakistan Resolution.

Targeted reference search

Q395. When did the Cripps Mission visit India?

ANSWER: 1942

RELATED FACTS / PMA ADDITIONAL ANGLES

- Sir Stafford Cripps arrived in March 1942 during World War II.
- The mission's constitutional proposals were rejected by major Indian political groups.

Targeted reference search

Q396. When did the Gandhi–Jinnah talks take place?

ANSWER: 1944

RELATED FACTS / PMA ADDITIONAL ANGLES

- The talks were held in Bombay in September 1944.
- They failed to agree on the Pakistan demand and the mechanics of partition.

Targeted reference search

Q397. When was the Wavell Plan proposed?

ANSWER: 1945

RELATED FACTS / PMA ADDITIONAL ANGLES

- The plan proposed reconstituting the Viceroy's Executive Council.
- It was discussed at the Simla Conference in June–July 1945.

Targeted reference search

Q398. When was the Simla Conference held?

ANSWER: 1945

RELATED FACTS / PMA ADDITIONAL ANGLES

- Viceroy Lord Wavell convened it to discuss the Executive Council.
- The conference broke down over the Muslim League's claim to nominate all Muslim members.

Targeted reference search

Q399. When were elections to the central and provincial legislatures of British India held before independence?

ANSWER: 1945–1946

RELATED FACTS / PMA ADDITIONAL ANGLES

- The elections were a major political test for the Congress and Muslim League.
- The Muslim League won most Muslim-reserved seats, strengthening its claim to represent Muslim voters.

Targeted reference search

Q400. When was the Cabinet Mission sent to India?

ANSWER: 1946

RELATED FACTS / PMA ADDITIONAL ANGLES

- The mission comprised Pethick-Lawrence, Stafford Cripps and A.V. Alexander.
- Its plan proposed a united India with a weak centre and provincial groupings, but agreement collapsed.

Targeted reference search

Q401. When was the 3 June Plan announced?

ANSWER: 3 June 1947

RELATED FACTS / PMA ADDITIONAL ANGLES

- The plan set out the partition of British India into India and Pakistan.
- It was announced by Mountbatten and accepted by major political leaders with qualifications.

Targeted reference search

Q402. On what date did Pakistan become independent?

ANSWER: 14 August 1947

RELATED FACTS / PMA ADDITIONAL ANGLES

- Pakistan's Independence Day is observed on 14 August.
- The transfer of power and the Indian Independence Act were tied to the end of British rule in August 1947.

Targeted reference search

Q403. How many administrative divisions did Punjab have in the Pakistan Bureau of Statistics 2023 Census baseline?

ANSWER: 9 divisions (PBS Census 2023 baseline)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Administrative counts can change as new districts/divisions are notified.
- For an exam asking “current” counts, use the latest official Punjab government list rather than an undated MCQ sheet.

Primary / official reference

Q404. How many divisions did Sindh have in the PBS 2023 Census baseline?

ANSWER: 6 divisions

RELATED FACTS / PMA ADDITIONAL ANGLES

- The 2023 census administrative table listed six divisions in Sindh.
- Division and district counts can change after administrative notifications.

Primary / official reference

Q405. How many divisions did Khyber Pakhtunkhwa have in the PBS 2023 Census baseline?

ANSWER: 7 divisions

RELATED FACTS / PMA ADDITIONAL ANGLES

- The commonly listed divisions are Malakand, Hazara, Mardan, Peshawar, Kohat, Bannu and Dera Ismail Khan.
- Merged former FATA districts are administered within KP divisions.

Primary / official reference

Q406. How many divisions did Balochistan have in the PBS 2023 Census baseline?

ANSWER: 8 divisions

RELATED FACTS / PMA ADDITIONAL ANGLES

- The 2023 census table listed eight divisions.
- Balochistan is Pakistan's largest province by area.

Primary / official reference

Q407. How many divisions did Pakistan have in the PBS 2023 Census baseline?

ANSWER: 30 divisions

RELATED FACTS / PMA ADDITIONAL ANGLES

- The PBS 2023 table also counted 136 districts including Islamabad Capital Territory.
- These are dated census baseline numbers, not a guarantee that no later administrative changes occurred.

Primary / official reference

Q408. How many districts did Punjab have in the PBS 2023 Census baseline?

ANSWER: 36 districts

RELATED FACTS / PMA ADDITIONAL ANGLES

- The count in a later administrative list may differ because provinces can create districts.
- Punjab is Pakistan's most populous province.

Primary / official reference

Q409. How many districts did Sindh have in the PBS 2023 Census baseline?

ANSWER: 30 districts

RELATED FACTS / PMA ADDITIONAL ANGLES

- Karachi is administratively divided into multiple districts.
- Manchar is Pakistan's largest natural freshwater lake and Keenjhar is an artificial reservoir, both in Sindh.

Primary / official reference

Q410. How many districts did Khyber Pakhtunkhwa have in the PBS 2023 Census baseline?

ANSWER: 35 districts in the PBS table; some government lists have shown 34, so cite the reference year/source

RELATED FACTS / PMA ADDITIONAL ANGLES

- District totals are especially sensitive to newly notified districts and merged areas.
- For exam use, memorize the count only with its source date.

Primary / official reference

Q411. How many districts did Balochistan have in the PBS 2023 Census baseline?

ANSWER: 34 districts

RELATED FACTS / PMA ADDITIONAL ANGLES

- New district notifications can change this total.
- Chagai is commonly listed as the largest district of Balochistan by area.

Primary / official reference

Q412. How many districts are in Islamabad Capital Territory in the PBS 2023 Census baseline?

ANSWER: 1

RELATED FACTS / PMA ADDITIONAL ANGLES

- Islamabad Capital Territory is federally administered and is not one of Pakistan's four provinces.
- The national capital is Islamabad.

Primary / official reference

Q413. How many districts did Pakistan have in the PBS 2023 Census baseline?

ANSWER: 136 districts, including Islamabad Capital Territory

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Pakistan Bureau of Statistics published the count in its 2023 census administrative table.
- Because boundaries change between censuses, always cite the reference year for such figures.

Primary / official reference

Q414. What was Najashi's religion before the traditional account of his acceptance of Islam?

ANSWER: Christianity

RELATED FACTS / PMA ADDITIONAL ANGLES

- Najashi was the ruler of Abyssinia who gave protection to Muslim migrants.
- The first migration to Abyssinia took place before the Hijrah to Madinah.

Targeted reference search

Q415. What is the currency of Indonesia?

ANSWER: Pilot Officer Rashid Minhas Shaheed

RELATED FACTS / PMA ADDITIONAL ANGLES

- Rashid Minhas was 20 years old when he sacrificed his life in 1971.
- His action took place during the 1971 war and involved preventing an aircraft from being taken to India.

Targeted reference search

Q424. Who was Pakistan's first Commander-in-Chief of the Army?

ANSWER: General Sir Frank Walter Messervy

RELATED FACTS / PMA ADDITIONAL ANGLES

- Messervy took office at independence in August 1947.
- General Ayub Khan became the first Pakistani Commander-in-Chief in 1951.

Targeted reference search

Q425. Who first built the Kaaba?

ANSWER: Islamic traditions differ; the Qur'an clearly says Ibrahim and Ismail (AS) raised its foundations (2:127)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Some traditional narratives say Adam (AS) first built it, but that is not established explicitly in the Qur'anic verse.
- For a scripture-grounded exam answer, remember Ibrahim and Ismail (AS) rebuilding/raising the foundations.

Targeted reference search

Q426. What is another name for the Manila Pact?

ANSWER: Southeast Asia Collective Defense Treaty; associated with SEATO

RELATED FACTS / PMA ADDITIONAL ANGLES

- The pact was signed in 1954.
- SEATO was dissolved in 1977.

Targeted reference search

Q427. When was the Qibla changed from Jerusalem toward the Kaaba?

ANSWER: 2 AH / about 624 CE, after the Hijrah

RELATED FACTS / PMA ADDITIONAL ANGLES

- The change is traditionally placed around 16–18 months after the migration to Madinah.
- The direction of prayer is toward the Kaaba in Makkah.

Targeted reference search

Q428. What was Faisalabad formerly called?

ANSWER: Lyallpur

RELATED FACTS / PMA ADDITIONAL ANGLES

- The city was renamed Faisalabad in 1977 in honour of King Faisal of Saudi Arabia.
- It is a major textile and industrial centre of Pakistan.

Targeted reference search

Q429. Which is commonly listed as Pakistan's most populous district?

ANSWER: Lahore District (according to the 2023 census comparison; check later boundary changes)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Karachi is Pakistan's largest city, but its population is divided among several districts.
- District and city population rankings are not the same.

Targeted reference search

Q430. Who proposed the idea that led to the formation of SAARC?

ANSWER: President Ziaur Rahman of Bangladesh is commonly credited with proposing regional cooperation in 1980

RELATED FACTS / PMA ADDITIONAL ANGLES

- SAARC was formally established in Dhaka in December 1985.
- Its founding members included Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan and Sri Lanka.

Targeted reference search

Q431. How many books are included in the Sunni Kutub al-Sittah (six canonical hadith collections)?

ANSWER: Six

RELATED FACTS / PMA ADDITIONAL ANGLES

- They include Sahih al-Bukhari, Sahih Muslim, Sunan Abi Dawud, Jami' al-Tirmidhi, Sunan al-Nasa'i and Sunan Ibn Majah.
- “Kutub al-Sittah” means the six books.

Targeted reference search

Q432. Who killed Hazrat Hamza (RA) at the Battle of Uhud, according to traditional Islamic accounts?

ANSWER: Wahshi ibn Harb

RELATED FACTS / PMA ADDITIONAL ANGLES

- Hamza (RA) was the Prophet's paternal uncle and a prominent early Muslim.
- Wahshi later accepted Islam according to traditional accounts.

Targeted reference search

Q433. Which pillar of Islam is Zakat?

ANSWER: Third pillar, not fourth

RELATED FACTS / PMA ADDITIONAL ANGLES

- The standard order is Shahadah, Salah, Zakat, Sawm and Hajj.
- Sawm (fasting in Ramadan) is the fourth pillar.

Targeted reference search

Q434. What is the x-coordinate of a point called in analytic geometry?

ANSWER: Abscissa

RELATED FACTS / PMA ADDITIONAL ANGLES

- The y-coordinate is called the ordinate.
- In (x, y), the abscissa is the first coordinate and the ordinate the second.

Primary / official reference

Q435. On what date did the five daily prayers become obligatory in Islamic tradition?

ANSWER: During the Mi'raj, traditionally dated to 27 Rajab in some calendars; the exact date is disputed

RELATED FACTS / PMA ADDITIONAL ANGLES

- The obligation is associated with the Night Journey and Ascension.
- Avoid treating 27 Rajab/10 Nabawi as an agreed historical date across all sources.

Targeted reference search

Q436. In which sea is the Gulf of Riga located?

ANSWER: Baltic Sea

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Gulf of Riga lies between Latvia and Estonia.
- Riga, Latvia's capital, is at the gulf's southern end.

Targeted reference search

Q437. What is the highest military order of the Netherlands?

ANSWER: Military Order of William (Militaire Willems-Orde)

RELATED FACTS / PMA ADDITIONAL ANGLES

- It is the Netherlands' highest and oldest order for military bravery.
- The order was established in 1815.

Targeted reference search

Q438. In which province is the proposed Kalabagh Dam located?

ANSWER: Punjab, near Kalabagh in Mianwali District

RELATED FACTS / PMA ADDITIONAL ANGLES

- The proposed dam site is on the Indus River.
- It remains a controversial project and should not be confused with the operational Tarbela Dam.

Targeted reference search

- Haba Khatoon was a Kashmiri poet and queen, traditionally associated with Sultan Yusuf Shah Chak.
- She is celebrated for Kashmiri lyric poetry.

Targeted reference search

Q445. How many centres does a circle have?

ANSWER: One centre

RELATED FACTS / PMA ADDITIONAL ANGLES

- All points on a circle are equidistant from its centre.
- The radius is the distance from the centre to the circumference.

Targeted reference search

Q446. Which rivers were allocated to Pakistan under the 1960 Indus Waters Treaty?

ANSWER: The western rivers: Indus, Jhelum and Chenab

RELATED FACTS / PMA ADDITIONAL ANGLES

- The eastern rivers Ravi, Beas and Sutlej were allocated primarily to India under the treaty.
- The World Bank played a role in facilitating the agreement signed in 1960.

Primary / official reference

Q447. What is the currency of Sri Lanka?

ANSWER: Sri Lankan rupee (LKR)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Colombo is the commercial capital; Sri Jayawardenepura Kotte is the legislative capital.
- The currency is divided into 100 cents.

Targeted reference search

Q448. What is another name for the 1940 Lahore Resolution?

ANSWER: Pakistan Resolution (popular name)

RELATED FACTS / PMA ADDITIONAL ANGLES

- It was passed at the Muslim League session in Lahore on 23 March 1940.
- It was a resolution, not a constitution.

Targeted reference search

Q449. What is Pakistan's national flower?

ANSWER: Jasmine

RELATED FACTS / PMA ADDITIONAL ANGLES

- Jasmine is the commonly recognized national flower.
- The answer is the same whether the question asks for Pakistan's national flower or “national floral emblem” in common GK.

Targeted reference search

Q450. Which part of Pakistan borders China?

ANSWER: Gilgit-Baltistan, not a province in Pakistan's constitutional structure

RELATED FACTS / PMA ADDITIONAL ANGLES

- The border is reached through Khunjerab Pass into China's Xinjiang region.
- Pakistan's four provinces are Punjab, Sindh, Khyber Pakhtunkhwa and Balochistan.

Targeted reference search

Q451. What is the capital of Belarus?

ANSWER: Minsk

RELATED FACTS / PMA ADDITIONAL ANGLES

- Belarus is a landlocked country in Eastern Europe.
- Its currency is the Belarusian ruble.

Targeted reference search

Q452. On which continent is Lake Victoria?

ANSWER: Africa

RELATED FACTS / PMA ADDITIONAL ANGLES

- It is shared by Tanzania, Uganda and Kenya.
- It is Africa's largest lake by surface area.

Targeted reference search

Q453. What is the world's smallest ocean by area?

ANSWER: Arctic Ocean

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Arctic Ocean is largely surrounded by North America and Eurasia.
- It is also the shallowest of the five commonly recognized oceans.

Targeted reference search

Q454. When was the Lucknow Pact signed?

ANSWER: 1916

RELATED FACTS / PMA ADDITIONAL ANGLES

- The pact was reached by Congress and the Muslim League.
- It included agreement on separate electorates and political representation.

Targeted reference search

Q455. Where are the Ras Koh Hills located?

ANSWER: Chagai District, Balochistan, Pakistan

RELATED FACTS / PMA ADDITIONAL ANGLES

- Pakistan conducted its 1998 nuclear tests in the Ras Koh region.
- Do not confuse Ras Koh with the Kirthar Range in Sindh/Balochistan.

Targeted reference search

Q456. In which country is the Port of Rotterdam located?

ANSWER: The Netherlands

RELATED FACTS / PMA ADDITIONAL ANGLES

- Rotterdam is one of Europe's major ports.
- The port connects maritime trade with the Rhine-Meuse-Scheldt delta and inland Europe.

Targeted reference search

Q457. What is the approximate length of the China–Pakistan Economic Corridor from Kashgar to Gwadar?

ANSWER: About 3,000 km (commonly cited estimate)

RELATED FACTS / PMA ADDITIONAL ANGLES

- CPEC links Xinjiang in China to Gwadar Port in Balochistan.
- It includes road, rail, energy and logistics projects; route details vary by corridor alignment.

Targeted reference search

Q458. What is the height of Ras Koh's highest peak?

ANSWER: The supplied figure of about 3,010 m is not sufficiently verified; use only with a reliable geographic source

RELATED FACTS / PMA ADDITIONAL ANGLES

- Ras Koh is a mountain range in Balochistan's Chagai region.
- It is known in Pakistan's geography/current-affairs context because of the 1998 nuclear tests.

Targeted reference search

Q459. What is the publicly stated range of Pakistan's Nasr missile?

ANSWER: Often reported as about 70 km; specifications are source-dependent

RELATED FACTS / PMA ADDITIONAL ANGLES

- Nasr (Hatf-IX) is described by Pakistan as a short-range tactical ballistic missile.
- Military performance figures should be attributed to an official statement or reputable defence source.

Targeted reference search

Q460. Where is the OIC headquarters located?

ANSWER: Jeddah, Saudi Arabia

RELATED FACTS / PMA ADDITIONAL ANGLES

- The OIC was established in 1969.
- It has member states across Africa, Asia and other regions.

Targeted reference search

Q461. What does the title Dhun-Nurayn for Hazrat Usman (RA) mean?

ANSWER: Possessor of the Two Lights

RELATED FACTS / PMA ADDITIONAL ANGLES

- The title is linked in Islamic tradition to his marriages to two daughters of Prophet Muhammad (PBUH) in succession.
- Hazrat Usman (RA) was the third Caliph.

Targeted reference search

Q462. What title is traditionally associated with Prophet Ismail (AS) in sacrifice narratives?

ANSWER: Dhabihullah (the one offered for sacrifice), in traditional usage

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Qur'an recounts the test of sacrifice without naming the son in the relevant verses; Muslim tradition generally identifies him as Ismail (AS).
- The exact honorific is a traditional religious title, not a Qur'anic proper name.

Targeted reference search

Q463. Which German general was nicknamed the “Desert Fox”?

ANSWER: Erwin Rommel

RELATED FACTS / PMA ADDITIONAL ANGLES

- Rommel commanded German forces in North Africa during World War II.
- The nickname is associated with the North African campaign.

Targeted reference search

Q464. Who is associated with the construction of Masjid-e-Dirar in Islamic historical accounts?

ANSWER: Hypocrites of Madinah built it; Abu Amir al-Rahib is associated with instigating it

RELATED FACTS / PMA ADDITIONAL ANGLES

- The account is discussed in connection with Qur'an 9:107–110.
- It is more precise to say Abu Amir was associated with the plot rather than simplistically stating he personally built it.

Targeted reference search

Q465. When was Malala Yousafzai awarded the Nobel Peace Prize?

ANSWER: 10 October 2014 (award year 2014)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Malala shared the 2014 Nobel Peace Prize with Kailash Satyarthi.
- She was the youngest Nobel laureate at the time of the award.

Primary / official reference

Q466. How many sides does a pentagon have?

ANSWER: Five

RELATED FACTS / PMA ADDITIONAL ANGLES

- A regular pentagon has five equal sides and five equal angles.
- The sum of its interior angles is 540 degrees.

Targeted reference search

Q467. What is another name for K2?

ANSWER: Mount Godwin-Austen (also known as K2)

RELATED FACTS / PMA ADDITIONAL ANGLES

- K2 is the world's second-highest mountain above sea level, after Everest.
- It lies in the Karakoram range on the Pakistan–China border region.

Targeted reference search

Q468. In which year were the Montagu–Chelmsford reforms enacted?

ANSWER: 1919 (the report was published in 1918)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Government of India Act 1919 implemented important parts of the reforms.
- It introduced dyarchy in the provinces.

Targeted reference search

Q469. Who opposed Ayub Khan in Pakistan's 1965 presidential election?

ANSWER: Fatima Jinnah

RELATED FACTS / PMA ADDITIONAL ANGLES

- Fatima Jinnah was known as Madar-e-Millat.
- Ayub Khan won the election through the Basic Democrats electoral college.

Targeted reference search

Q470. Where is the Chashma Nuclear Power Plant located?

ANSWER: Near Chashma Barrage, Mianwali District, Punjab, Pakistan

RELATED FACTS / PMA ADDITIONAL ANGLES

- Pakistan's Chashma units are operated under IAEA safeguards.
- The plant is commonly abbreviated CHASNUPP; the site is in the Chashma/Kundian area.

Primary / official reference

Q471. Which Companion served Prophet Muhammad (PBUH) for about ten years?

ANSWER: Hazrat Anas ibn Malik (RA)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Anas (RA) served the Prophet in Madinah after his mother brought him as a young boy.
- He is an important narrator of hadith.

Targeted reference search

Q472. What is the upper house of Pakistan's Parliament called?

ANSWER: Senate of Pakistan

- The glacier has been the site of a long-running India–Pakistan military deployment.

Targeted reference search

Q475. When was the United Nations founded?

ANSWER: 24 October 1945

RELATED FACTS / PMA ADDITIONAL ANGLES

- The UN Charter entered into force on this date.
- The Charter had been signed on 26 June 1945.

Primary / official reference

Q476. What is the world's largest desert?

ANSWER: Antarctic Desert (largest desert overall); Sahara is largest hot desert

RELATED FACTS / PMA ADDITIONAL ANGLES

- Deserts are defined by low precipitation.
- Antarctica is a polar desert despite being covered by ice.

Targeted reference search

Q477. What is the movement of people from one place to another called?

ANSWER: Migration

RELATED FACTS / PMA ADDITIONAL ANGLES

- Migration may be internal or international.
- Emigration means leaving a country; immigration means entering a country.

Targeted reference search

Q478. How many official copies of the Qur'an were prepared under Caliph Uthman (RA)?

ANSWER: Traditional accounts commonly mention several standard copies sent to major centres; the exact total varies (often 5–7)

RELATED FACTS / PMA ADDITIONAL ANGLES

- Uthman's recension helped standardize the written text and spelling tradition.
- Avoid treating “seven copies” as universally agreed across all historical sources.

Targeted reference search

Q479. How many members were in Pakistan's first Constituent Assembly at its formation?

ANSWER: 69 members is the common historical figure; later membership changed

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Constituent Assembly met for the first time on 10 August 1947.
- Quaid-e-Azam was elected its first President/Speaker on 11 August 1947.

Targeted reference search

Q480. Which ordinal general election was Pakistan's 2018 general election in common post-1970 counts?

ANSWER: The 11th general election (counting the nationwide general elections since 1970)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The 2018 election was held on 25 July 2018.
- It resulted in PTI emerging as the largest party in the National Assembly.

Targeted reference search

Q481. Which Companion suggested digging a trench during the Battle of the Trench?

ANSWER: Hazrat Salman al-Farsi (RA)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The battle is also called Ghazwa-e-Khandaq or the Battle of the Confederates.
- It took place around Madinah in 5 AH / 627 CE.

Targeted reference search

Q482. Where is the headquarters of the United Nations?

ANSWER: New York City, United States

RELATED FACTS / PMA ADDITIONAL ANGLES

- The UN also has major offices in Geneva, Vienna and Nairobi.
- The headquarters complex is on the East River in Manhattan.

Primary / official reference

Q483. When was the Quit India Movement launched?

ANSWER: 8 August 1942 (mass arrests and major actions began on 9 August)

RELATED FACTS / PMA ADDITIONAL ANGLES

- The All-India Congress Committee adopted the Quit India resolution in Bombay.
- Gandhi used the slogan “Do or Die.”

Targeted reference search

Q484. What is the deepest known point on Earth?

ANSWER: Challenger Deep in the Mariana Trench

RELATED FACTS / PMA ADDITIONAL ANGLES

- It is in the western Pacific Ocean.
- Modern measurements put it at roughly 10.9–11 km below sea level, depending on the survey.

Targeted reference search

Q485. Where is the Shah Jahan Mosque located?

ANSWER: Thatta, Sindh

RELATED FACTS / PMA ADDITIONAL ANGLES

- The mosque is famed for its geometric tile work and acoustics.
- Do not confuse it with the Badshahi Mosque in Lahore.

Targeted reference search

Q486. From which country is UN Secretary-General António Guterres?

ANSWER: Portugal

RELATED FACTS / PMA ADDITIONAL ANGLES

- Guterres has served as the ninth UN Secretary-General since 1 January 2017, with his second term ending in 2026.
- As of 14 October 2026 he remains in office; this current-affairs item should be updated if the next Secretary-General is appointed.

Primary / official reference

Q487. Where are the Black Hills located?

ANSWER: South Dakota and Wyoming, United States; the prompt's “Black Mountain” wording is unclear

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Black Hills are a mountain range in the western Great Plains of North America.
- The “Black Hills” are not a mountain range in Europe or Asia; check whether the original source meant a different feature.

Targeted reference search

Q488. How many Muslims were initially in the army at the Battle of Uhud?

ANSWER: About 1,000 initially; after about 300 withdrew, roughly 700 remained

RELATED FACTS / PMA ADDITIONAL ANGLES

- The withdrawal is associated with Abdullah ibn Ubayy and his followers in traditional accounts.
- Many standard accounts say about 70 Muslims were killed at Uhud.

Targeted reference search

Q489. What is the capital of Algeria?

ANSWER: Algiers

RELATED FACTS / PMA ADDITIONAL ANGLES

- Algiers is a Mediterranean port city.
- Algeria is Africa's largest country by area.

Targeted reference search

Q490. Who is often named as a founder of representative democracy in Pakistan?

ANSWER: Muhammad Ali Jinnah is sometimes given in GK material, but “founder of democracy” is an imprecise title

RELATED FACTS / PMA ADDITIONAL ANGLES

- Jinnah was Pakistan's founding Governor-General and advocated constitutional government.
- Treat the phrase as an attribution/opinion rather than a formal historical office or uncontested title.

Targeted reference search

Q491. Which country is commonly described as the world's largest democracy?

ANSWER: India

RELATED FACTS / PMA ADDITIONAL ANGLES

- India is the world's most populous democracy by population.
- India has a parliamentary system with a President as head of state and Prime Minister as head of government.

Targeted reference search

Q492. When was NATO established?

ANSWER: 4 April 1949

RELATED FACTS / PMA ADDITIONAL ANGLES

- The North Atlantic Treaty was signed in Washington, D.C.
- NATO originally had 12 members and has expanded since.

Targeted reference search

Q493. Who was the formal President of Cuba during the Cuban Missile Crisis?

ANSWER: Osvaldo Dorticós Torrado; Fidel Castro was Prime Minister

RELATED FACTS / PMA ADDITIONAL ANGLES

- The Cuban Missile Crisis occurred in October 1962.
- This question tests the difference between formal head of state and the country's most prominent revolutionary leader.

Targeted reference search

Q494. Where is Nari Bolan Dam located?

ANSWER: Kachhi District, Balochistan

RELATED FACTS / PMA ADDITIONAL ANGLES
